WRECKING, INC.

EXECUTIVE SUMMARY

American Wrecking, Inc. has completed Demolishing the Modular Buildings at Torrey Pines High School and Earl Warren Middle School project. They completed the work within the allotted time. However, the contractor unintentionally damaged the South Football Field camera at Torrey Pines High School. The Staff and Contractor agreed to deduct the repair charges from the total cost of the contract. Therefore, the contract amount will be decreased by \$500.00. Additionally, for administrative purposes, the completion date needs to be extended to coincide with the Board's acceptance date.

RECOMMENDATION:

It is recommended that the Board approve Change Order Number 1 to the Demolishing of Modular Buildings at Torrey Pines High School and Earl Warren Middle School project B2006-05, contract entered into with American Wrecking, Inc., increasing the contract time by 23 calendar days and decreasing the contract amount by \$500.00, and authorize Simonetta March to execute the change order.

SUBJECT: RESOLUTION AUTHORIZING SALE OF SURPLUS

PERSONAL PROPERTY & INSTRUCTIONAL

SUPPLIES

EXECUTIVE SUMMARY

During the course of every year personal property items (equipment, supplies, textbooks, etc.) become surplus or obsolete to the District. These items are gathered by warehouse personnel for the purpose of disposal by public sale. A detailed listing of property will be maintained and available for review in the Purchasing/Warehousing Department. The list will be posted on the intranet for possible utilization by another site. The sale or disposal of personal property is authorized pursuant to Education Code Sections 17545 through 17549.

In years past one or two surplus sales were held to dispose of items. Items that become surplus would be stored, often times losing value by age, exposure to the elements, and/or losing current market appeal. A solution to this problem would be for the Board of Trustees to adopt the attached resolution allowing for the sale of personal property on an as needed basis during the course of the current fiscal year.

RECOMMENDATION:

It is recommended that the Board adopt the attached resolution authorizing the Administration to sell surplus property on an as needed basis during the course of the 2005-06 fiscal year.

SUBJECT: SUFFICIENCY OF INSTRUCTIONAL MATERIALS

EXECUTIVE SUMMARY

Education Code §60119 requires that the district hold a public hearing and determine through a board resolution whether each pupil in the district has sufficient textbooks and/or instructional materials. Ed. Code §60119 has recently been amended to include a new definition of "sufficient." Sufficiency now includes the core academic courses (mathematics, science, social science and English language arts.) In addition, as part of the Williams settlement agreement, Boards are also asked to determine the sufficiency of instructional materials for foreign language and health courses, and the availability of science laboratory equipment in grades 9-12.

Funding from the State continues to be inadequate. Each year, the district supplements state funds to ensure adequate instructional materials. Based on the combination of district and state funds, all students have been provided with math, science, social science textbooks and English/Language Arts instructional materials. Last year, all students enrolled in foreign language courses were provided with newly adopted textbooks and instructional materials. A new health textbook has been adopted this year. All old health textbooks (1996 adoption) have been replaced.

The district last received state funds specifically for science equipment in the 2000-01 school year. Since that time, parent donations, district contributions and site budgets have been used to purchase, upgrade, and maintain science equipment.

RECOMMENDATION:

It is recommended that the Board declare that sufficient science laboratory equipment, up-to-date textbooks, and instructional materials are present in our district classrooms for use by district staff and students. The attached resolution has been prepared and reviewed by the San Diego County Office of Education Williams Settlement Committee.

- 2. The grand total of the costs of all buses when originally purchased shall be determined.
- 3. The grand total of original purchases shall be divided into each party's total contribution to those purchases producing a percentage factor.
- 4. The current value of the bus fleet, jointly owned, shall be established by a qualified appraisal of each individual bus.
- 5. The current appraised value grand total shall be multiplied by the percentage factors as found in paragraph V (A)(3) above to produce the total sum due each party hereto as its share of the current jointly owned bus fleet.
- 6. Agreement as to which buses belong to each party shall be negotiated by each party's representative using the total value due each party and the current appraisal price as the basis for negotiation.

B. Capital Equipment Items - Disposition On Termination of Agreement

AGENDA ITEM: 28

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE SAN DIEGUITO HIGH SCHOOL DISTRICT IN OPPOSTION TO THE CALIFORNIA LIVE WITHIN OUR MEANS ACT-PROPOSTION 76

WHEREAS, California's 6 million students deserve high-quality schools with well-trained educators, small class sizes, quality instructional materials, up-to-date textbooks and dynamic parental support; and

WHEREAS, The California Live Within Our Means Act (Proposition 76) would upset the balance of power between the governor and the legislature by giving the governor the power to both create and declare a fiscal emergency and then to take unilateral budget actions; and

WHEREAS, These actions include multiple mid-year across-the board cuts for all programs including education, thus violation the constitutional priority giver to K-12 by the voters of California and placing K-12 funding at the mercy of the politics of the moment; and

WHEREAS, Proposition 76 would also eliminate basic provisions and guarantees as provided by voters when they passed Proposition 98, including making the 2004-05 reductions to school funding permanent rather than temporary, and eliminating the requirement to restore any reductions to the funding guarantee; and

WHEREAS, Proposition 76 would seriously undermine the continuity and quality of instructional programs by exposing schools to unstable funding and the constant threat of mid year cuts, making it impossible to plan and budget for ongoing spending commitments because of the possibility of spending increases in one year and reductions the next year; and

WHEREAS, Proposition 76 would severely impact the funding base for schools – resulting in as much as \$4 billions (\$600 per student) per year below the minimum funding base required by current law; and

WHEREAS, if Proposition 76 is approved, California would continue its downward spiral from ranking in the top ten in per pupil funding tone of the lowest states in the nation (a recent "Quality Counts 2005" report by Education Week ranks California 44th in the nation); and

WHEREAS, California schools have already suffered \$9.8 billion in cuts and deferrals in the last several years resulting in school closures, increases in class size, layoffs of teachers and support staff, and a shameful shortage of librarians, counselors, nurses, custodians and groundskeepers throughout the state; and

WHEREAS, Proposition 76 breaks several promises made by Governor Schwarzenegger and the legislature to repay and restore minimum Proposition 98 base funding and settle-up funds; and

WHEREAS, the San Dieguito Union High School District has suffered more than \$12 million in cuts over the last four years, including certificated and classified staffing and site funding for materials and supplies; and

WHEREAS, The California Live Within Our Means Act (Proposition 76) is unsound public policy, and unfairly punishes schools and students and undermines the education funding protections voters say they want; now therefore,

BE IT RESOLVED that the Board of Trustees of the San Dieguito Union High School District strongly opposes Proposition 76 on the November 8 special election ballot.

PASSED AND ADOPTED by the Board of Trustees of the San Dieguito Union High School District, Encinitas, California, at a public meeting thereof duly called and held this 15th day of September, 2005.
