APPROVE CONTRACTS AND AGREEMENTS

EXECUTIVE SUMMARY

Periodically, the District needs to acquire equipment, material, and services that exceed the bid limits of \$86,000.00 for equipment and material and \$15,000.00 for public works contracts, as prescribed by Public Contract Code 20111. In order to complete projects/purchases in a timely manner, annually the Board is requested to authorize the administration to advertise and obtain bids as outlined in board policies and public contract code for the period July 1, 2015 through June 30, 2016.

However, during the summer recess most of the construction/maintenance/bond projects need to be completed and services need to be in place before school begins in the fall. There are times when contracts need to be in place prior to the scheduled board meetings during the summer. Authorization is requested for the administration to proceed with entering into contracts/agreements during the period June 19, 2015 through October 1, 2015, with the understanding that the contracts/agreements will be presented to the Board of Trustees for ratification at the next regularly scheduled meetings.

RECOMMENDATION:

1. AUTHORIZATION TO ADVERTISE FOR BIDS

It is recommended that the Board Authorize the Superintendent of Schools to direct the administration to advertise for any necessary bids during the period July 1, 2015 through June 30, 2016.

SUBJECT: **ADOPTION OF 2015-2018 LOCAL CONTROL
ACCOUNTABILITY PLAN (LCAP)**

EXECUTIVE SUMMARY

Complementing the changes to state funding made by the Local Control Funding Formula (LCFF) is the required Local Control and Accountability Plan (LCAP). The LCAP is LCFF's vehicle for transparency and engagement. It is the way that school districts are expected to share performance data, needs, actions, and anticipated outcomes that guide the use of available LCFF funding. Before the start of the 2015-16 school year, all districts will need to develop a Local Control and Accountability Plan prior to the adoption of their budget by July 1st.

According to Education Code section 52060, the LCAP must describe for each district and each school within the district the annual goals for all students including calling out details for students designated as low-income, English learners and foster youth that address state and local priorities. The LCAP must also describe the specific actions that the district will take to achieve the goals it has identified with budget details that show the level and type of state expenditures made to support these actions.

The state priorities are expressed as metrics for which districts are expected to develop performance measures to demonstrate how LCFF and the LCAP support student outcomes.

Priority 1: Student Achievement: Pupil achievement as measured by multiple indicators including, but not limited to, assessment data, college readiness, and language proficiency.

LCAP

Page 2

Priority 2: Student Engagement: Pupil engagement as measured by multiple indicators including, but not limited to, rates associated with attendance, chronic absenteeism, dropout (middle and high school), and high school graduation.

Priority 3: Other Student Outcomes: Pupil outcomes, if available, in the subject areas comprising a broad course of study.

Priority 4: School Climate: School climate as measured by multiple indicators including, but not limited to, pupil suspension and expulsion rates as well as other local measures assessing safety and school connectedness.

Priority 5: Parental Involvement: Parental involvement, including efforts the school district makes to seek parent input in making decisions for the school district and each individual school site, and including how the school district will promote parental participation in programs for economically disadvantaged pupils, English learners, foster youth, and individuals with exceptional needs.

Priority 6: Basic Services: Demonstrating compliance with Williams Act requirements. This includes reporting appropriate teacher assignment, sufficient instructional materials, and facilities in good repair.

Priority 7: Implementation of Common Core Standards: Implementation of the academic content and performance standards adopted by the State Board of Education (SBE), including how the programs and services will enable English learners to access the Common Core academic content standards and the English Language Development standards.

Priority 8: Course Access: The extent to which pupils have access to, and are enrolled in, a broad course of study that includes core subject areas (i.e., English, mathematics, social science, science, visual and performing arts, health, physical education, career and technical education, etc.), including the programs and services developed and provided to economically disadvantaged pupils, English learners, foster youth, and individuals with exceptional needs.

Education Code Section 52062 requires that the agenda of the LCAP public hearing to be posted at least 72 hours before the LCAP public hearing and must include the location of where the LCAP will be available for public inspection. A public hearing was held on June 4, 2015 to solicit recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the Local Control Accountability Plan.

Attached is a copy of the FINAL DRAFT of the SDUHSD LCAP that was available for public viewing.

RECOMMENDATION:

It is recommended that the Board adopt the 2015-2018 S.D.U.H.S.D. Local Control and Accountability Plan (LCAP), as shown in the attached supplement.

Introduction:

LEA: San Dieguito Union High School District **Contact (Name, Title, Email, Phone Number):** Jason Vioria, Executive Director of Education Services, jason.vioria@sduhsd.net, 760-753-6491 **LCAP Year:** 2015-2016

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

ITEM 16

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

(Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

ITEM 16

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

The district also used data gathered from the district-wide San Dieguito LCAP stakeholder survey, results from the California Healthy Kids Survey and California School Climate Survey for staff.

A stakeholder survey was shared through the district website and emailed to all pupils, staff, parents and community stakeholders to solicit feedback related to the goals and eight state priorities highlighted in the San Dieguito Union High School District Local Control and Accountability Plan. The survey produced over 1,000 responses from students, parents, staff and community members.

b. College and Career Readiness for all students
 c. Increase in overall student achievement
 d. Increase in the reclassification rate of English Learners
 e. Importance of developing and maintaining a positive school environment and sense of safety for all students
 f. High quality teachers and accountability for academic achievement
 g. Increased opportunities for parents of English Learners to attend district workshops

These themes are reflected in the goals, action/services and investments of the district.

As a result of ongoing parent feedback, SDUHSD's Superintendent added a series of site meetings and public forums throughout the year to increase communication with SDUHSD families and the community.

II. Information/Input Sources:

Based on feedback gathered during DELAC meetings and response data from the LCAP survey, parents expressed interest in continuing and expanding parent education programs for EL families and pupil academic support programs for EL students. To support EL students with below grade level literacy skills, the district will implement a Newcomers Program during the 2015-2016 school year. The goal of the Newcomers Program is to increase course access and accelerate the language proficiency level of new EL students to the district with an overall CELDT level of 1 or 2.

Based on data review, focus areas for 2015-2016 will include EL students' growth in A-G course completion, college readiness, AP/Honors course access, increase reclassification rates and reduce the number of LTEL students.

Highlights of stakeholder feedback from the LCAP survey results are listed below:

73.5% agree that SDUHSD schools offer rigorous curriculum and instruction aligned to the Common Core State Standards.

77.2% agree that all SDUHSD students will gain knowledge and skills to be college and career ready.

64.3% agree that SDUHSD schools offer opportunities to increase student

III. Other data collected

SDUHSD used the following quantitative data for the goal setting process:

Graduation rate, A-G progress data, teacher mis-assignment rates, instructional materials use rate, Title III Accountability report, facility inspection data, historic CST ELA proficiency rate, historic CST math proficiency rate, SBAC ELA proficiency rates (pending release), SBAC math proficiency rates (pending release), English Learner reclassification rate, Long Term English Learner rate, course enrollment data, Advanced Placement (AP) data including enrollment and passage rates, suspension and expulsion data, attendance data and stakeholder survey data.

A draft of the SDUHSD 2015-2016 LCAP was presented for feedback and approved by the Parent Curriculum Advisory Committee (PCAC) on 5/5/15, SDUHSD Coordinating Council on 5/20/15 and the District English Learner Advisory Committee (DELAC) on 5/19/15.

Permissible within the CA Education Code, the SDUHSD District English Learner Advisory Committee (DELAC) is serving in place of the English Learner Parent Advisory Committee (ELPAC)

A public hearing was held by the SDUHSD Board of Education on June 4, 2015 to allow for public input on the proposed plan.

achievement.

Of those respondents who identified as having a student who is an English Learner, 84% agree that all pupils identified as English Learners in SDUHSD receive instruction and curriculum that includes designated and integrated language that helps English Learners become redesignated.

After reviewing stakeholder feedback and quantitative data, the district identified priority focus areas (listed below) to develop goals, actions and services for the 2015-2018 LCAP.

1. Increase student achievement
2. Decrease LTEL rates and increase reclassification rates
3. Increase college and career readiness
4. Increase level of "school connectedness" and "sense of safety"

The priorities identified above are included in the district's budget and investments for foster youth, English Learners, and low income students as identified on subsequent pages of this document. The LCFF investment priorities reflect the feedback received from stakeholders and student data, and are tied to the academic data and needs of our students.

The following best practices were recommended by community stakeholders and incorporated into the goals and actions of the SDUHSD 2015-2018 LCAP:

- a. Increased communication with and training for parents
- b. Differentiated support for the California State Standards (CASS) initiative
- c. Increase the reclassification rate of English Learners
- d. Effective teacher support and evaluation
- e. Availability of instructional materials and adequate facilities
- f. Course access, particularly accelerated courses
- g. Increased academic support opportunities

Staff feedback gathered through site and district level meetings and professional development workshops, highlighted the need to continue and expand our professional development opportunities, increase opportunities for teacher collaboration, and continue our work around training staff on instructional shifts associated with 21st Century Instructional practices. The district will continue its efforts to support teachers with professional development regarding the transition to the California State Standards,

Within five (5) years of instruction in SDUHSD, all English Learner pupils will be reclassified as Redesignated English Proficient. • Goal #3: All district graduates are college and career ready • Goal #4: Increase the level of “school connectedness” and "sense of safety" of pupils, staff and parents. <p>Changes made to the LCAP goals and actions based on stakeholder feedback for 2015-2016 are reflected in the annual update tables.</p> <p>II. The district also used data gathered from the district-wide San Dieguito LCAP stakeholder survey, results from the California Healthy Kids Survey and California School Climate Survey for staff.

III. Other data collected

SDUHSD used the following quantitative data to measure growth:

Graduation rate, A-G Progress data, teacher mis-assignment rates, instructional materials use rate, Title III Accountability report, facility inspection data, historic CST ELA proficiency rate, historic CST math proficiency rate, English Learner reclassification rate, Long Term English Learner rate, course enrollment data, Advanced Placement (AP) Data including enrollment and passage rates, suspension and expulsion data, attendance data and stakeholder survey data.

Permissible within the CA Education Code, the SDUHSD District English Learner Advisory Committee (DELAC) is serving in place of the English Learner Parent Advisory Committee (ELPAC)

Based on feedback gathered through community meetings and survey results, the district identified focus areas for the 2015-2018 LCAP which are listed below. These themes are reflected in the goals, actions, services and investments of the district.

Themes include:

- a. Consolidate LCAP goals for communication clarity
- b. Continue to investigate education and training opportunities for English Learner families
- c. Increase in overall student achievement
- d. Provide funds to sites to offer after school tutoring and support for students who are performing below grade level
- e. Importance of developing and maintaining a positive school environment and sense of safety for all students
- f. High quality teachers and accountability for academic achievement
- g. Increased communication with and training for parents and students related to college and career readiness
- h. Develop programs to accelerate the language proficiency level of EL students and increase course access

III. Other data collected

Target measurable outcomes not met in the 2014-2015 LCAP

English Learner Proficiency Rates:

The target 5% increase of EL pupils with 5 years or more in the US (LTELs) attaining the English proficiency level on the CELDT was not met using the most recent data from 2013-2014 CELDT results. In the 2015-2016 LCAP goal 2, we will adjust these measurable outcome targets and explore programs and supports to increase English proficiency levels for LTEL students in the district. According to 14-15 Title III report, 74.5% of ELs made progress in learning English, which is 0.5% difference from the target of 75%. Based on data review and stakeholder feedback, the target measurable outcome percentage of EL pupils making annual progress in learning English as measured by the CELDT will be gradually decreased in subsequent years. SDUHSD will continue to maintain a percentage above state targets of EL pupils making annual progress in learning English as measured by the CELDT.

ITEM 16

A public hearing will be held by the SDUHSD Board of Education on June 4, 2015 to allow for public input on the proposed plan.

SDUHSD Board of Education will adopt the 2015-2018 LCAP and 2015-2016 budget on June 18, 2015.

College and Career Readiness:

Cohort Outcome Data for the Class of 2013-14 reflects a high school cohort graduation rate of 96.7%. Cohort Outcome Data for the Class of 2012-13 reflects a high school cohort graduation rate of 97.2%. Most current data available reflects a decrease in graduation rate of 0.5% from the previous year.

California Department of Education reports that SDUHSD 12th grade graduates completing all courses required for UC and/or CSU entrances increased by 3.5% from 72.7% in the 2012-2013 year to 76.2% in the 2013-14 year, awaiting 2014-15 results.

2013-2014, 12th Grade Graduates Completing all Courses Required for UC and/or CSU Entrance Rates:

SDUHSD = 72.7%

San Diego County= 45.7%

State of California= 39.4%

Pupil completion rate of A-G requirements for EL students decreased by 3.8% from the previous year (2013-14= 8% 4/50 students, 2012-13=11.8% 6/51 students) as measured by the California Department of Education (CDE) 12th Grade Graduates Completing all Courses Required for UC and/or CSU Entrance report.

2013-14 Pupil completion rate of A-G requirements for EL students:

San Diego County= 11.2%

California= 9.9%

Awaiting 2014-15 Results.

Pupil completion rate of A-G requirements for low income students increased by 7.4% from the previous year (2013-14= 45.8%, 2012-13=38.4%) as measured by the CDE 12th Grade Graduates Completing all Courses Required for UC and/or CSU Entrance report.

2013-14 Pupil completion rate of A-G requirements for Socioeconomically disadvantaged students:

San Diego County= 34.7%

California= 32.7%

Awaiting 2014-15 Results.

2013-2014, 12th Grade Graduates Completing all Courses Required for UC and/or CSU Entrance Rates:

ITEM 16

SDUHSD = 72.7%
San Diego County= 45.7%
State of California= 39.4%
Awaiting 2014-15 Results.

In the 2015-2018 LCAP, SDUHSD will continue to develop actions and services related to increasing A-G completion rates for all students with focus on EL and low income students as well as increasing graduation rates for all students.

Student Achievement in ELA/math:

In 2014-15, the NCLB Core Course Section Compliance rate increased to 98%. SDUHSD will continue to refine Human Resources Department recruitment practices and review of current staff credentials to insure candidates are HQT and appropriately assigned.

Based on 2013-14 data, the district wide California High School Exit Exam (CAHSEE) 10th graders pass rates for English Learner students' in ELA decreased by 12%. Low income students showed a 1% decrease in passage rates as an identified subgroup for both ELA and math. Based on data analysis of CAHSEE pass rates by subgroup from 2014, the district identified English Learners and Special Education students performing with pass rates significantly below the district average in ELA and math. In the 2015-2016 LCAP, measurable outcome targets for CAHSEE pass rates will focus on EL and Special Education students' performance.

The district is still awaiting finalized 2014-15 data regarding CAHSEE passage rates.

2013-14 CAHSEE rates
District pass rates in ELA= 98%
EL pass rates ELA= 56%
Sped pass rates ELA= 81%

District pass rates in math= 98%
EL pass rates math= 82%
Sped pass rates math= 78%

The decrease in CAHSEE ELA pass rates for English Learner students can be explained by a significant shift in the district English Learner population in recent years. The number of English Learners enrolled in SDUHSD schools has

ITEM 16

steadily decreased over the previous 6 years, but the current English Learner population present of greater need than prior years. According to SIS data from May 2015, 50% of the SDUHSD English Learners are designated as Long Term English Learners (LTELs), which are students who have been enrolled in US schools for 5 or more years and have not been reclassified as Fluent English Proficient. Moving forward, SDUHSD will develop a goal, actions and services related to supporting and accelerating learning outcomes for English Learners with focus on Long Term English Language Learners.

School Climate:

SDUHSD continued to maintain a low suspension rate (2013-14=1.3%) as evidenced by CDE reported annual suspension rate for all pupils. In the 2015-2018 LCAP, we adjusted measurable outcome targets in accordance with current suspension rates with the goal of continually reducing suspension rates for all students. A review of previous years (2008-2014) data shows that SDUHSD suspensions have decreased by 75% since 2008 and expulsions have decreased by 80% since 2009.

Staff is awaiting results of California Healthy Kids Survey Results for 2014-15 school year as well as Staff Climate Survey data.

The above data was used in conjunction with stakeholder feedback gathered through community meetings to identified focus areas for development of the 2015-2018 LCAP.

ITEM 16

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

ITEM 16

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupil’s subgroup(s) as defined in Education Code section 52052.

ITEM 16

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	In 2014-2015, SDUHSD utilized a team of Teachers on Special Assignment (ToSA) to provide support and coaching in the areas of Science, Social Studies, English, Math, Instructional Technology, Formative Assessment, English Learners, Categorical Programs and Math curriculum writing. ToSAs support district and site specific goals related to CCSS, NGSS and ELD aligned instruction and implementation as well as classroom coaching in core content courses and departments. Additional funds were allocated to provide ToSA release time and purchase materials to write curriculum for the new integrated math pathways aligned to CCSS for grades 7-12. In the 2015-2016 school year, the district will begin to gradually reduce the math curriculum writing ToSA positions as the new SDUHSD math curriculum is revised and implemented at the middle school and high school levels. Curriculum writing positions (3.0 FTE ToSAs) will continue to be utilized in the 2015-2016 year to develop and improve the integrated math pathways. In an effort to support and implement 21st century instruction, district ToSAs provided ongoing classroom coaching, including

To support the implementation of ELD standards, NGSS and CCSS, the district funded release time for teachers to attend professional development workshops and professional conferences, such as CABE. Curriculum and supplemental materials were purchased to support CCSS and ELD standard aligned instruction for all middle and high schools. In the 2015-2016 school year, the ToSA team will be reorganized to include 3 full time math curriculum writers, 8 part-time ToSAs to provide site specific instructional support, and 7 ToSAs to support in the areas of Science, Social Studies, English, Professional Development/Formative Assessment, 21st Century Instruction, English Learners and Categorical Programs.</p> <p>The district will continue to provide site achievement funds for release time for teachers to attend professional development workshops and collaborate to develop common ELOs and formative assessments.</p> <p>Based on stakeholder input, we consolidated goals for communication clarity. 2014-15 Goal 1, 5 and 10 were combined into Goal 1 for 2015-16.</p> <p>*All actions/services related to 2014-2015 LCAP goal 1 will be continued in 2015-16 LCAP Goal 1.</p> <p>The following action/service was added to the 2015-16 LCAP Goal 1: * Site Education Technology leads will be added at 8 school sites to support staff with utilization of technology in the classroom.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	Based on stakeholder input, we consolidated goals for communication clarity. 2014-15 Goal 2 and 6 were combined into Goal 2 for 2015-16. The following action/service was added or modified to the 2015-16 LCAP Goal 2: 1. Professional development for teachers and staff will focus on the structure and implementation of the new California ELD standards in all core content areas. Upon continued review of data and stakeholder feedback, an area of focus moving forward will be to work with feeder districts to develop programming that leads to higher reclassification rates for all English Learners with specific focus on reducing the number of Long Term English Learners in the district. SDUHSD will continue to review reclassification rates, reclassification criteria and English proficiency levels of student who are designated as EL to increase reclassification rates and reduce of LTELs districtwide. Participation in the LAS links assessment increased in the 2014-2015 year and has proven to be an effective English proficiency progress monitoring tool. The LAS links assessment will continue to be utilized in the 2015-2106 year to make data driven decisions on course placement and interventions to support language acquisition for EL students. The target 5% increase of EL pupils with 5 years or more in the US (LTELs) attaining the English proficiency level on the CELDT was not met using the most recent data from 2013-2014 CELDT results. In the 2015-2016 LCAP goal 2, we will adjust these measurable outcome targets and explore programs and supports to increase English proficiency levels for LTEL students in the district.2. According to 2014-15 Title III report, 74.5% of ELs made progress in learning English, which is 0.5% difference from the target of 75%. Based on data review and stakeholder feedback, the target measurable outcome percentage of EL pupils making annual progress in learning English as measured by the CELDT will be gradually decreased in subsequent years. SDUHSD will continue to maintain a percentage above state targets of EL pupils making annual progress in learning English as measured by the CELDT.

enrolled in at least one AP and/or Honors course.
25% of district schools reported enrollment in Honors/AP courses for Low SES students that was reflective of the school's student population demographics.

District high school pupil enrollment in AP/Honors courses remained relatively constant at 65.4% (0.4% increase) from the previous year and Middle School pupil enrollment in Honors courses increased by 5.6% from the previous year.

Total district wide enrollment in AP and /or Honors courses is relatively consistent by grade level with a 5.6% discrepancy between 7th and 11th grade.

Of the 7,832 total pupils enrolled in AP/Honors courses;

13.8% are in 7th grade

16.1% are in 8th grade

16% are in 9th grade

16.8% are in 10th grade

19% are in 11th grade

18.3% are in 12th grade

Student achievement in AP, as measured by the passing rate on AP exams, increased by 1.4% from the previous year. The 2009-2014 five year average pass rate on AP exams is 80.78%. The 2014 AP exam pass rate was 81.5%, a negligible increase in student performance when compared to the previous five years. The number of AP tests taken each year has increased every year for the last five years with a 13.4 % increase from 2010 when compared to the number of tests taken in 2014. Similarly, the number of students taking AP exams each year has steadily increased over the last five years with a 5.8% increase from 2010 when compared to the number of students taking AP exams in 2014. Although the number of students taking tests and the number of tests taken have increased over the last five years, the growth has been proportional resulting in the average number of tests taken per student remaining constant at an average of 2 AP exams per test taker since 2010. Based on 2014 AP exam results, 5% of test takers were classified as Low Socio-Economic Status which is a 3% discrepancy between the district-wide demographic of 8% Low SES student population.

AP exam results are not able to be disaggregated by primary language or English language proficiency level.

ITEM 16

Details of the expenditures related to the use of district supplemental funds is described in the LCAP annual updates tables. (Goal.4.Action.D., Goal.5.Action.B.) When calculating projected expenditures, the district uses a salary and benefits figure that is reflective of an experienced certificated staff member. The difference in the projected \$1,000,000.00 estimate and the actual reported \$956,000.00 spent in supplemental expenditures occurred as a result of the difference between salaries paid and salaries estimated for the 2014-2015 year.

SDUHSD's High School Selection process offers all students in grades 9 through 12 the opportunity to have choice in which of the four SDUHSD high schools to attend. School choice allows parents and students an opportunity to select a school other than their neighborhood school. As a result of this policy, there is a greater need to assess our district transportation options. During the Spring of 2015, a district transportation survey was conducted at all middle schools related to home to school transportation and high school shuttles. As each SDUHSD site offers unique academic and extracurricular opportunities, home/school transportation has a direct correlation to course access and pupil achievement. Survey results indicate that SDUHSD families believe that transportation is one obstacle for students to attend the school of their choice, participate in school activities and events and enroll in courses which support their individual goals. As a result of feedback, the district is planning to continue to offer middle school busing.

Expected Annual Measurable Outcomes:	<p>6.a. The district will establish criteria for reclassification of EL pupils.</p> <p>6.b. The district will create, develop, and refine a monitoring system to follow the progress of all English learners, including Long Term English Learners and Reclassified students.</p> <p>6.c. By the end of 2014-15, there will be 5% increase in the number of EL pupils reclassified as compared to the previous academic year.</p>		<p>Actual Annual Measurable Outcomes:</p> <p>6.a. The district established a protocol using 6 state suggested criteria to reclassify English Learner (EL) pupils as English proficient. Reclassification evaluations occur annually in the Spring.</p> <p>6.b. The district developed two monitoring systems to follow the progress of EL students. The English Learner Catch-Up Plan/Monitoring System tracks English Learner and Long-Term English Learner pupils' academic progress and intervention history for up to a 6 years. Once a student is reclassified English proficient, the Reclassified Fluent English Proficient Monitoring Document is used to track pupils' progress and intervention history for 2 years.</p> <p>6.c. In 2013-14, 11.7% of EL pupils were reclassified as Redesignated fluent English proficient. Reclassification evaluations for the 2014-2015 year have not been completed at the time of this report. Progress on reclassification rates will be reported pending the release of 2014-2015 Reclassification evaluations results.</p>

A district reclassification committee of English Learner (EL) teacher leaders, the EL director and EL Teacher on Special Assignment met in the Spring to discuss the pupils who are under consideration for reclassification district wide. Student lists were generated for each school site reflecting those who are close to meeting reclassification criteria. In the absence of CST testing last academic year, the district developed an additional assessment as a replacement to fulfill the academic grade level performance criteria for reclassification. The district assessment was administered to those students who met all other reclassification criteria.</p> <p>SDUHSD created a three phase approach to professional development for teachers and administrators on California English Language Development (CA ELD) standards. EL ToSA facilitated each professional development workshop and provides ongoing support to school sites related to ELD standards and support for EL students in the classroom.</p> <p>Phase 1, awareness phase, was completed in the 2013-14 year. ITEM 16

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Based on review of Perkins enrollment data and stakeholder feedback, SDUHSD will develop workshops and trainings for counselors and awareness programs for students to increase the number of CTE students from underrepresented gender groups enrolled in a CTE program sequence that leads to employment in nontraditional fields. Pending approval of CTE Career Pathways grant application submitted in February of 2015, new CTE career pathways and courses will be developed and implemented in the 2015-2016 school year.

Based on stakeholder input, we consolidated goals for communication clarity. 2014-15 Goal 3, 4 and 7 were combined into Goal 3 for 2015-16.

The following 2014-15 action(s)/service(s) and related measures were removed from the 2015-16 plan:

1. Review current system used to ensure all students are identified and placed in the most rigorous coursework. This action/service is described within 2015-2016 LCAP goal 1 related to student achievement.

The following action/service was added to the 2015-16 LCAP Goal 3:

1. Provide training and professional development for counselors and current target students from underrepresented groups enrolled in CTE programs.
2. Investigate ways to develop CTE courses that infuse core content curriculum in ELA and math.
3. Continue to work with CTE teachers to develop A-G aligned courses descriptions

Measurable Outcome targets not met:

1. (7.b.)The district wide California High School Exit Exam (CAHSEE) 10th graders ELA pass rates for English Learner students' decreased by 12%. Low income students showed a 1% decrease in passage rates as an identified subgroup for both ELA and math. Based on a data analysis of CAHSEE pass rates by subgroup from 2014, the district identified English Learners and Special Education students performing with pass rates significantly below the district average in ELA and math. In the 2015-2016 LCAP, measurable outcome targets for CAHSEE pass rates will focus on EL and Special Education students' performance.

The decrease in CAHSEE ELA pass rates for English Learner students can be explained by a significant shift in the district English Learner population in recent years. The number of English Learners enrolled in SDUHSD schools has steadily decreased over the previous 6 years, but the current English Learner population present a greater need than prior years. According to SIS data from May 2015, 51% of the SDUHSD English Learner population are designated as Long Term English Learners (LTELs), which are students who have been enrolled in US schools for 5 or more years and have not been reclassified as Fluent English Proficient. Moving forward, SDUHSD will develop a goal, actions and services related to supporting and accelerating learning outcomes for English Learners with focus on Long Term English Language Learners.

2. (7.c.) Pupil completion rate of A-G requirements for EL students decreased by 3.8% from the previous year (2013-14= 8%, 2012-13=11.8%) as measured by the California Department of Education (CDE) 12th Grade Graduates Completing all Courses Required for UC and/or CSU Entrance report.

2013-14 Pupil completion rate of A-G requirements for EL students:

San Diego County= 11.2%

California= 9.9%

In 2015-2016, actions and expenditures will address the need to increase pupil completion rate of A-G requirements for English Learners.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$1,640,228.00</u>
San Dieguito Union High School District will receive \$1,640,228.00 in supplemental Local Control Funding Formula beginning in 2015-16. These funds are calculated based on the number of English learners, students identified as low income and foster youth enrolled in the SDUHSD.	
San Dieguito Union High School District will offer a variety of programs and supports specifically for English learners, low income students and foster youth that all students will benefit from when teachers are trained in successful strategies. These include: ELD classrooms, ELD professional development specialists, EL leads at most sites, targeted instructional support materials in literacy and mathematics, partnerships with organizations to provide mentoring and tutoring for struggling students, after school tutoring and intervention programs, an expansion of the college readiness program in both middle schools and high schools, courses in Read 180, System 44, Reading Enhancement and Academic Language Development, professional learning, counseling support, summer intervention programs, explore blended learning opportunities, allocate funds directly to school sites for targeted support of struggling learners, provide services and support to increase parent involvement and McKinney Vento programs to support homeless.	

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

1.78	%
San Dieguito Union High School District will offer a variety of programs and supports specifically for English learners, low income students and foster youth that all students will benefit from when teachers are trained in successful strategies. INFORMATION REGARDING BOARD AGENDA ITEM

DATE OF REPORT: June 9, 2015

BOARD MEETING DATE: June 18, 2015

PREPARED BY: Delores Perley, Chief Financial Officer

SUBMITTED BY: Rick Schmitt

SUBJECT: ADOPTION OF 2015-16 DISTRICT BUDGET/
GENERAL FUND & SPECIAL FUNDS

EXECUTIVE SUMMARY

The 2015-2016 Annual Budget is presented for adoption. As required, the budget was presented for review and a public hearing was held June 4, 2015. No changes have been made to the budget since that hearing.

As we informed the Board of Trustees, the budget was prepared using assumptions from the Governor's May Revised State Budget proposal. Any impacts from the final state budget act and associated trailer affecting the District budget will be incorporated in the Fall Revision.

General Fund

Revenue

The Board will notice an increase in revenue from 2014-15 to 2015-16. The primary reasons for this are:

- The District's funding will transition from Basic Aid to Local Control Funding Formula (LCFF)
- Estimated increase in Property Tax of 3%, increase of state aid funding under the LCFF model
- One-Time Discretionary State funding for prior mandated cost claims
- Removal of any one-time revenue, and other prior year carryover amounts
- Gifts & Donations in Local Income are booked as revenue is received
- Reduction in ROP revenue per SDCOE proposal

Encroachment

Encroachment into the unrestricted general fund has increased for the following reasons:

- The requirement to fund routine restricted maintenance was reduced from 3% to 1% in 2009-10. For 2015-16, the state has restored this requirement. As part of the routine restricted maintenance program, the district is contributing to the deferred maintenance fund to maintain sites.
- Increased special education contribution due to additional salary costs for step, column and benefit increases
- Contribution to ROP to offset funding decreases

Expenditures

Expenditures are up overall, due to the annual step, column and longevity increases for salaries and benefits, these are partially offset by the removal of prior year carryover and local revenue amounts:

- Retirement savings have partially offset the cost of step, column, and longevity increases
- Increases in salaries and benefits for additional staffing of Pacific Trails Middle School
- Increases in benefits for proposed CalSTRS employer contribution rate increase, CalPERS rate increase, and estimated health insurance cost increases
- Books and supplies savings derive from the removal of donation carryover until the amounts are determined at year end as well as savings in site and department budgets
- Services and operating expenses show an overall decrease for the removal of carryover and prior year expenses, this is partially offset by utility rate increases
- Restricted programs with carry-over balances will have a commensurate increase in expenditures posted and included in the Fall Revision Budget Report.

Fund Balance Reserves

The Proposed Budget meets and exceeds the 4.5% Board recommended minimum reserve. Detailed information regarding the fund balance was shared at the public hearing as well the board workshop on June 4, 2015.

Multi-Year Projection

This summary of the unrestricted portion of the Multi-Year Projection (MYP) is included for your review and consideration.

Unrestricted Only	<u>2015-16</u>	<u>2016-17</u>	<u>2017-18</u>
Total Revenue	92,393,940	88,443,050	91,517,194
Total Expenditures	86,735,732	90,075,338	93,039,570
Difference + or (-)	5,658,208	(1,632,288)	(1,522,376)
Beginning Balance	15,772,829	21,431,037	19,798,749
Ending Balance	21,431,037	19,798,749	18,276,373
Reserve @ 3%			
General Fund Only	Met	Met	Met
General Fund & SpecResv	Met	Met	Met

Assumptions include:

2015-16

- District becomes LCFF funded
- Continuation of the “hold harmless” state funding
- Property tax growth (3%), continuation of the Education Protection Act (EPA) funding from Prop 30 tax increases
- COLA and deficits as projected by School Services of California
- Step, column costs, and benefits costs increased

2016-17 & 2017-18

- District continues as LCFF
- Property tax increases as California Consumer Price Index and Assessed Values increase
- Average Daily Attendance relatively flat
- COLA and deficits as projected by School Services of California
- Site formula budgets to remain static from 2014-15 levels
- No additional reductions implemented

With the above assumptions, the District projects that it will be able to meet its financial obligations for the next 3 years in the general fund.

Special Funds

The proposed budgets for all 2015-16 special funds of the district are presented to the Board for approval. All special funds are unchanged from the tentative budgets presented to the Board on June 4, 2015.

Special funds for the district are as follows:

Adult Education Fund	(11-00)
Cafeteria Fund.....	(13-00)
Deferred Maintenance	(14-00)
Pupil Transportation Equipment Fund	(15-00)
Special Reserve Fund Other than Capital Outlay	(17-42)
Other Building Fund.....	(21-09)

Building Fund-Prop 39 (Prop AA)..... (21-39)

Supporting Documentation

Documents included for this agenda item include:

- Budget Spreadsheet for “General Fund Revenue & Expenditures – 2015-16 Proposed Budget”
- Multi-Year Projection for General Fund Revenue and Expenditures
- 2015-16 Budget Attachment: Balances in Excess of Minimum Reserve Requirements
- Special Funds – Overview; a brief description of each fund
- Special Funds – Balance Summary; summary spreadsheet for the 2015-16 proposed Special Funds Budget
- Printouts from the Standardized Account Code Structure (SACS) state software for 2014-15 and 2015-16

State requirements dictate certain documents be included as backup to the budget adoption agenda item. Included in this backup is a certification page which includes a summary of Criteria and Standards Review. Each standard is determined to be “Met” or “Not Met” or answered “Yes/No”. Where standards are not met, explanations are provided for the discrepancies. Most of the standards which have not been met are due to revenue & expense variances related to the removal of carryover and one-time revenue sources and with district-wide expenditure reductions. Printouts from the Standardized Account Code Structure (SACS) software are included, as required.

RECOMMENDATION:

It is recommended that the Board adopt the proposed 2015-2016 Annual Budget / General Fund & Special Funds, as shown in the attached supplements.

SPECIAL FUNDS - OVERVIEW

Information relative to special funds, other than the General Fund, gives a brief description of the activities of the fund.

Adult Education Fund, 11-00

The Adult Education Fund is used to account separately for federal and local revenues related to adult education programs. San Dieguito Adult Education provides a wealth of educational and recreational programs for the community, including high school diploma classes, English as a second language, programs for senior citizens, a host of cultural and personal enrichment courses, and recreation activities. State aid to Adult Education has been eliminated as of 2009-10 as part of the Fair Share proposal which reduces categorical funding to Basic Aid districts.

Cafeteria Fund, 13-00

School lunch nutrition standards have caused increased expenses and decreased revenue for the last few years. As a result, menus, staffing and productivity are constantly evaluated to ensure the district is providing wholesome, nutritious meals that are attractive to its customers and can be sold at a reasonable price. Nutrition Services continues to hone its marketing efforts and will further enhance technology to provide faster meal service. Managing the challenges of open campuses and single lunch periods continues.

Deferred Maintenance Fund, 14-00

Contributions to this program were eliminated in 2009-10 under the Fair Share proposal. With the 2013-14 implementation of the Local Control Funding Formula (LCFF), districts are no longer required to match state deferred maintenance funds. However, as part of the districts contribution to Routine Restricted Maintenance, the 2015-16 budget includes a contribution to the deferred maintenance fund. Since 2009-10, the district has included the costs of many necessary projects in the General Fund. In 2015-16, many of the larger maintenance costs will shift to the Deferred Maintenance Fund. The maintenance and repair of the new and remodeled Prop AA facilities continues to be a priority for the district.

Pupil Transportation Equipment Fund, 15-00

This fund was created for the purpose of accounting separately for income and expenses related to the acquisition of pupil transportation equipment.

Special Reserve Other Than Capital Outlay, 17-42

The purpose of this fund is to provide for the accumulation of General Fund resources for general operating purposes. Previous one-time mandate revenue was deposited to contribute to GASB 45 (OPEB) obligations. The balance has been used as part of the district's reserve for economic uncertainties.

Building Fund, 21-09

This fund is used to account for income due from prior construction projects. This fund is used for various construction projects. The balance will diminish until funds are depleted.

Building Fund-Proposition 39, 21-39

In November 2012, voters of the San Dieguito Union High School District community passed Proposition AA, a proposition 39 general obligation bond measure to provide monies to finance the construction of school facilities. This fund was created to account for income from the sale of the bonds and is used for the various construction projects approved by Proposition AA.

Capital Facilities, 25-18

Used for developer fees generated by agreements before 1987, this is a dwindling resource fund. The use of these funds is restricted to the cost of construction/reconstruction of facilities as a result of student population growth.

Capital Facilities, 25-19

Used for "per square foot" developer fees that the state authorized beginning in January 1987 and before many of the currently established Mello-Roos districts were formed. The use of these funds is limited to capital expenditures related to enrollment growth.

County School Facilities Fund, 35-00

This fund is used exclusively to account for income from the state for construction and modernization of school facilities.

Special Reserve for Capital Projects, 40-00

This fund is used to account for donated funds associated with capital projects. This fund balance will decline until all funds are depleted, unless future donations are made for capital projects.

Self-Insurance Fund, 67-16

This fund is used as a trust account for amounts not spent on insurance premiums for certificated employees that declined health insurance. The balance in this fund grows until a distribution is agreed upon between the district and the San Dieguito Faculty Association.

Other Post Employment Benefits Fund, 67-17

This fund is used as an escrow account to fund the annual "pay-as-you-go" amount for Other Post Employment Benefits (OPEB). The General Fund makes contributions to this fund and then premiums are paid from this account. Assets do not count toward the unfunded OPEB liability as the funds are not held in a special trust. The negative ending fund balance reflects the accumulated unfunded liability for OPEB.

Deductible Insurance Loss Fund, 67-30

This fund is used for the purpose of claims, administrative costs, services, deductible insurance amounts, costs of excess insurance and other related costs.

Explanation:
(required if NOT met)

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

4A. District's LCFF Revenue Standard

Indicate which standard applies:

LCFF Revenue

The District must select which LCFF revenue standard applies.

Status:		Not Met	Met	Met

4C. Comparison of District LCFF Revenue to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Projected change in LCFF revenue is outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard(s) and a description of the methods and assumptions used in projecting LCFF revenue.

Explanation:
(required if NOT met)

As a Basic Aid district in 2014-15, the districts funding level is higher than the LCFF funding calculation. The standard revenue increase percentage of 12.58% is based on LCFF funding, not the districts higher property tax. Therefore the total increase is not realized as the district exceeded LCFF funding as a Basic Aid district in 2014-15.

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: All data are extracted or calculated.

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.

SUBJECT: **ADOPTION OF RESOLUTION / LEASE-LEASEBACK / McCARTHY BUILDING COMPANIES, INC.**

EXECUTIVE SUMMARY

On February 12, 2014, District staff advertised a Request for Qualifications (RFQ) for the construction of Earl Warren Middle School. On February 26, 2014 the District received nine proposals. After a thorough review of all proposals the District invited three firms for interviews. McCarthy Building Companies, Inc. (McCarthy) was selected to provide construction services under a Lease-Leaseback contractual arrangement for the construction of the Earl Warren Middle School Data Center, the first phase of the Earl Warren Middle School project, and then on December 11, 2014 was awarded the second phase for interim housing.

The third phase of the project to reconstruct the campus is set to commence this summer. The District continues to be very pleased with McCarthy's performance and would also like to maintain continuity with the phased project. As a result McCarthy has been selected to provide construction services under a Lease-Leaseback contractual arrangement for the reconstruction of the Earl Warren Middle School campus.

Administration and staff have been working with McCarthy to develop a Site Lease, Sublease Agreement, and Construction Services Agreement for Lease-Leaseback. The total cost of the project is expected to cost approximately \$41.4 million, including soft costs. As it pertains to the Construction Services Agreement, McCarthy has provided a preliminary Guaranteed Maximum Price (preGMP) of \$37,679,523 for the reconstruction project of Earl Warren Middle School. The preGMP includes:

- Construction Direct Costs: \$30,899,038
- General Conditions: \$2,193,575
- Bonds and Insurance: \$1,066,258
- Builder's Fee: \$1,168,511
- Contingency: \$2,352,141

ITEM 19

At project completion, any unused portion of the contingency will be returned to the District.

In order to establish the final GMP, McCarthy will conduct bids under the supervision of the District. McCarthy will seek a minimum of three bids, and if possible a minimum of five bidders requested for all portions of non-specialized work to ensure the best pricing and bidding environment for the District. Bids will be conducted and presented for approval in two phases, the first phase to include Abatement, Demolition, and Grading, and the second phase for the balance of the reconstruction project.

Lease-Leaseback Framework

Lease-Leaseback projects are constructed pursuant to the provisions set forth in Education Code Section 17406, which authorizes school district governing boards, without advertising for bids, to lease property currently owned by a school district to any person, firm, or corporation for a minimum of \$1 per year as long as such lease requires the other party to construct (or provide for the construction) of a building or buildings upon the subject property and that title to the subject property and the buildings vest in the school district at the expiration of the lease. This statutory language requires that school districts first lease its property to a chosen builder. This delivery method to construction has been recognized by the State Legislature as a proven method to deliver school facilities on time, on budget, and with a reduced level risk associated with design issues, delays, and cost overruns.

The Lease-Leaseback arrangement includes three documents:

- A Site Lease that leases the District's property to the Builder,
- A Sublease Agreement that leases the District's property from the Builder back to the District, and
- A Construction Services Agreement for Lease-Leaseback.

Bidding Requirements

In order to establish the complete final GMP, McCarthy will conduct competitive bids under the supervision of the District. The firm will seek a minimum of three bids for each specialized construction trade package and, if possible, a minimum of five bidders requested for all portions of non-specialized work to ensure the best pricing and bidding environment for the District. After each bid phase, the final GMP will be presented to the Board at a future meeting for approval to amend the agreement.

RECOMMENDATION:

It is recommended that the Board adopt the following resolution, and authorize Christina M. Bennett or Eric R. Dill to execute the necessary documents:

1. Resolution approving and authorizing execution of Site Lease, Sublease Agreement, and Construction Services Agreement for the Lease-Leaseback Agreement with McCarthy Building Companies, Inc., for the Earl Warren Middle School Campus Reconstruction project to be expended from Building Fund-Prop 39 Fund 21-39.
