Mr. Schmitt shared information regarding timeline and options for selecting a superintendent. He also shared information for hiring a short-term or long-term interim superintendent. The Board can 1) conduct a Board search without hiring a search firm, 2) hire a search firm to conduct a “tiered-search” of interview internal candidates with an option to seek or not seek input from parents, staff and the board on superintendent qualities, or 3) hire a search firm to conduct a “full-search” (nationwide) of internal and outside candidates as well as seek input from parents, staff and the board on superintendent qualities. The Board would direct the search firm on what they want them to do and at what level.

The Board held a discussion regarding the selection process options. The Board requested that Request for Proposals be sent to additional search firms, and that a special board meeting be scheduled on May 20, 2016, to conduct interviews with the search firms and decide on how to proceed with the selection process and timeline.

SUBJECT: APPROVAL OF CALIFORNIA INTERSCHOLASTIC FEDERATION (CIF), SAN DIEGO SECTION / CONTINUING MEMBERSHIP AGREEMENT & AUTHORIZATION OF DESIGNATION OF SCHOOL REPRESENTATIVES TO LEAGUES / 2016-17

EXECUTIVE SUMMARY

The attached continuing membership agreement is submitted for annual renewal purposes of the District’s application for voluntary membership in the California Interscholastic Federation (CIF) – San Diego Section. CIF requires that participating districts submit renewals annually in order for schools to participate in athletic competitions.

The bylaws of the CIF require that each year the Governing Board of the District identify the individuals who will serve as the schools’ representative to the athletic league that presides over the schools’ interscholastic athletic program. As in the past, the principal of the school is recommended as the League Representative with the Assistant Principal or Designee designated as the Alternate.

<u>School</u>	<u>League Representative</u>	<u>Alternate</u>
CCA	Brett Killeen	Assistant Principal or Designee
LCCHS	Bryan Marcus	Assistant Principal or Designee
SDHSA	Bjorn Paige	Assistant Principal or Designee
TPHS	David Jaffe	Assistant Principal or Designee

RECOMMENDATION:

It is recommended that the Board approve the California Interscholastic Federation (CIF) Continuation Membership Agreement, and authorize the designation of CIF School Representatives to Leagues, for the 2016-17 school year, as shown in the attached supplements.

RE: FORM TO RECORD DISTRICT AND/OR SCHOOL REPRESENTATIVES TO LEAGUES

DATE: APRIL 22, 2016

Enclosed is a form upon which to record your district and/or school representatives to leagues for **next year, 2016-2017**. It is a form sent every year to you in order to obtain the names of league representatives to every league in the state and to make sure that the league representatives are designated by school district or school governing boards. **It is a legal requirement that league representatives be so designated.**

The education code gives the authority for high school athletics to high school governing boards. The code also requires that the boards, after joining CIF, designate their representatives to CIF leagues. This is a necessity! (Ed. Code 33353 (a) (1))

We are asking that, after action by the governing board, you **send the names of league representatives to your CIF Section office**. Obviously, the presumption behind this code section is that the representatives of boards are the only people who will be voting on issues, at the league and section level, that impact athletics.

If a governing board does not take appropriate action to designate representatives or this information is not given to Section offices within the required time frame, CIF is required to suspend voting privileges (CIF Constitution, Article 2, Section 25, p.17) for the affected schools.

At the State Federated Council level we will be asking that Sections verify that their representatives are designated in compliance with this Ed. Code section.

I hope this gives you a bit of background. Thank you for all you do to help support high school athletics. It is a valuable program in all high schools and we appreciate the support you give to the program and to CIF.

Please return the enclosed form no later than June 29, 2016 directly to your CIF Section Office. Addresses of each section are listed on the back of the form. Please contact us if we can give you further information.

ITEM 11C

Please complete the form below for each school under your jurisdiction and **RETURN TO THE CIF SECTION OFFICE (ADDRESSES ON REVERSE SIDE) no later than June 29, 2016.**

SUBJECT: DESTRUCTION OF SPECIAL EDUCATION
RECORDS

EXECUTIVE SUMMARY

Under California Statutes, special education records are classified as “Class 2” or “Mandatory Interim Pupil Records.” Class 2 records are those which schools are required to compile and maintain for stipulated periods of time and are then destroyed as per California Code of Regulations. Such records, as related to Special Education, may include: IEP forms, special education assessments, health records and access logs, etc. Class 2 documents are maintained until their usefulness ceases. At such time, the records are classified as Class 3, disposable. Special Education records are maintained for a period of five years following the students’ date of graduation. As required by law, the attached notice will be posted on the district’s [Special Education Department’s web page](#), notifying the 2011 Special Education graduates that they may request their original special education file. Those files not retrieved will be destroyed after September 1, 2016.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the classification of Special Education records for SDUHSD Special Education students who graduated in 2011 as Class 3 (Special Education Records) disposable, and approve the destruction of such records, as shown in the attached supplement.

ITEM 14F

SUBJECT: AUTHORIZATION TO ADVERTISE FOR BIDS /
APPROVE CONTRACTS AND AGREEMENTS

EXECUTIVE SUMMARY

Periodically, the District needs to acquire equipment, material, and services that exceed the bid limits of \$87,800.00 for equipment and material and \$15,000.00 for public works contracts, as prescribed by Public Contract Code 20111. In order to complete projects/purchases in a timely manner, annually the Board is requested to authorize the administration to advertise and obtain bids as outlined in board policies and public contract code for the period July 1, 2016 through June 30, 2017.

However, during the summer recess most of the construction/maintenance/bond projects need to be completed and services need to be in place before school begins in the fall. There are times when contracts need to be in place prior to the scheduled board meetings during the summer. Authorization is requested for the administration to proceed with entering into contracts/agreements during the period June 17, 2016 through September 15, 2016, with the understanding that the contracts/agreements will be presented to the Board of Trustees for ratification at the next regularly scheduled meetings.

RECOMMENDATION:

1. AUTHORIZATION TO ADVERTISE FOR BIDS

It is recommended that the Board Authorize the Superintendent of Schools, Interim Superintendent, or designee to direct the administration to advertise for any necessary bids during the period July 1, 2016 through June 30, 2017.

ITEM 15D

2. AUTHORIZATION TO APPROVE CONTRACTS AND AGREEMENTS

It is recommended that the Board Authorize the Superintendent of Schools, Interim Superintendent, or designee to approve entering into all contracts/agreements, during the period June 17, 2016 through September 15, 2016, and that the contracts/agreements be presented to the Board of Trustees for ratification at the next regularly scheduled meetings.

SUBJECT: **ADOPTION OF RESOLUTIONS / AUTHORIZED SIGNATURES FOR MAIL, WARRANTS, PAYROLL, SCHOOL ORDERS, CREDENTIALS RELEASE**

EXECUTIVE SUMMARY

Various sections of Education Code require the Board of Trustees to adopt a series of resolutions prior to the beginning of each fiscal year in order to maintain a current register of persons authorized to act on behalf of the school district. The first resolution enclosed designates authorized agents to receive mail and pickup warrants at the County Office of Education (COE). The second resolution designates authorized agents to ascertain and certify that employees have taken the oath of allegiance and certification of classified service assignment. TO PROFESSIONAL SERVICES CONTRACTS /
PROPOSITION AA

EXECUTIVE SUMMARY

The attached Professional Services Report/Proposition AA summarizes amendments to 12 existing contracts.

The first amendment is for Lionakis, for additional architectural/engineering services at Earl Warren Middle School Replacement Campus project for revisions to the retention basin and connection to the underground storm water conveyance at Stevens Avenue with the City of Solana Beach.

Two amendments pertain to inspector of record (IOR) firms Consulting & Inspections Services and Blue Coast Consulting, Inc. These firms were selected from among the firms responding to the District's Request for Proposals B2013-11 on April 9, 2013. Based upon the ongoing positive performance of the firms, their capacity to perform such work and the availability of funding, the firms may provide services for up to five years. These agreements will be for the fourth year of that five year option and accommodate the continuing needs of the District.

The next two amendments pertain to Storm Water Pollution Prevention Plan Services (SWPPP) contract CB2013-31. On September 19, 2013 the Board approved entering into contracts with Twining, Inc., and David Beckwith & Associates, Inc., representing a pool by which the District may request SWPPP services. Based on the ongoing positive performance of the firms, their capacity to perform such work and the availability of funding, the firms may provide services for up to five years. These agreements will be for year four of that five year option and accommodate the continuing needs of the District.

ITEM 15H

Three amendments pertain to California Environmental Quality Act (CEQA) Services: URS Corporation, LSA Associates, Inc. and PlaceWorks, Inc., who were selected from among the firms responding to the District's Request for Proposals CB2014-01, representing a pool by which the District may request such services. Based on the ongoing positive performance of the firms, their capacity to perform such work and the availability of funding, the firms may provide services for up to five years. These agreements will be for year four of that five year option and accommodate the continuing needs of the District.

The next three amendments pertain to materials testing and specialty inspection services firms Ninyo & Moore, Nova Services and Southern California Soils & Testing, Inc. These firms were selected from among the firms responding to the District's Request for Proposal B2013-08 on May 16, 2013. Based on the ongoing positive performance of the firms, their capacity to perform such work and the availability of funding, the firms may provide services for up to four years. These agreements will be for year three of that four year option and accommodate the continuing needs of the District.

The next amendment pertains to Surveying Services CB2013-32. On October 3, 2013 the Board approved a contract for Surveying Services with BDS Engineering, Inc., as part of a pool by which the District may request such services. Based on the ongoing positive performance of this firm, their capacity to perform such work and the availability of funding, the firm may provide services for up to five years. NETWORK (TCPN)**

EXECUTIVE SUMMARY

In order to proceed with securing instruments for the music program at Pacific Trails Middle School, District staff reviewed contract documents from other agencies which allow purchasing items from those bids. The Cooperative Purchasing Network (TCPN) has a cooperative bid and award of contract for the purchase of performing arts, apparel, instruments and equipment (Contract # R140801) with Music & Arts Centers. It was determined that this vendor provided the best value of those reviewed.

The District is authorized, pursuant to Public Contract Code 20118, to utilize other public agency's Request for Proposal (RFP) documents if certain criteria have been met by the awarding agency. The criteria includes the solicitation of RFPs through the sealed, formal bid process as outlined in Public Contract Code Section 20111, the inclusion of both a public agency clause and a waiver clause to draw warrants in favor of the vendor rather than the awarding agency.

Pursuant to District Board Policies 3310 and 3311/AR-1, Purchasing Procedures and Soliciting Bids, respectively, and to ensure these policies are being followed, District staff is requesting the Board adopt the attached resolution authorizing the use of The Cooperative Purchasing Network (TCPN) Contract No. R140802.

RECOMMENDATION:

It is recommended that the Board adopt the resolution authorizing use of The Cooperative Purchasing Network (TCPN) Contract No. R140802.

SUBJECT: APPROVAL OF RECEIPT AND
EXPENDITURE OF EDUCATION
PROTECTION ACCOUNT (EPA) FUNDING

EXECUTIVE SUMMARY

On November 6, 2012, the voters in California voted to pass Proposition 30, The Schools and Local Public Safety Protection Act of 2012. Proposition 30 temporarily increases the states sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayers.

The revenues generated from Proposition 30 are deposited into a state account called the Education Protection Account (EPA). School Districts, county offices of education and charter schools will receive funds from the EPA based on their proportionate share of the statewide Local Control Funding Formula (LCFF) amount. Each district will receive no less than \$200 per ADA. For LCFF districts, a corresponding reduction is made to the district's state aid equal to the amount of their EPA entitlement, resulting in no increase to funding.

Proposition 30 includes reporting requirements for school districts. Each district must report on the district website an accounting of how much money was received from the EPA and how that money was spent. The attached documents show estimated funding in the amount of \$2,493,800 for 2016-17 and proposed expenditures. These funds are a portion of the total LCFF funding. As with the 2015-16 funding, the funds will be used to offset current expenses for teachers' salaries and benefits.

ITEM 16

The EPA revenue has been included in the 2016-17 Proposed Budget.

RECOMMENDATION:

It is recommended that the Board approve receipt and expenditure of 2016-17 Education Protection Account (EPA) funds, as shown in the attached supplements.

SUBJECT: COMPENSATION FOR CERTIFICATED
SUBSTITUTES – BP #4121/AR-2

EXECUTIVE SUMMARY

In comparison with other school districts in San Diego County, San Dieguito Union High School District's substitute teacher wages rank at the bottom. In addition to the lowest substitute wages, we are also faced with a significant statewide teacher shortage which in turn creates a severe shortage of substitute teachers in our District.

The current compensation for certificated substitutes is \$95.00 per day. After the 10th day of service in the same classroom, the wages increase to \$105.00 per day. Then, after the 20th day in the same classroom, the compensation is \$125.00 per day.

In order to stay competitive with area school districts, it is recommended that the Board of Trustees approve the rate of pay for certificated substitutes at \$120.00 per day for the first ten (10) consecutive days of substituting for the same teacher; \$130.00 per day beginning the 11th consecutive day; and, \$140.00 per day from the 21st day thereafter in the same assignment, effective July 1, 2016.

RECOMMENDATION:

It is recommended that the Board approve the revised Board Policy #4121/AR-2, Substitute Teacher Compensation Schedule, as shown in the attached supplement.

SUBJECT: Proposed Revised Board Policy #4241 Attachment
A, "Supervisory Salary Schedule"

EXECUTIVE SUMMARY

The District is proposing a revision to the "Supervisory Salary Schedule" as a result of several recent decisions affecting two classifications on the schedule.

At its meeting on April 12, 2016, the Personnel Commission reviewed and approved the following recommendations related to Nutrition Services:

- Reclassify an existing Nutrition Services Supervisor to Food Services Coordinator, based on the continuing needs of the District and the gradual accretion of duties over a minimum of a two year period.
- Retitle the classification of Food Service Coordinator to Nutrition Services Coordinator to align with the job titling conventions of the department.
- Reduce the salary differential between the Supervisor and Coordinator classifications from approximately 20% to 15% based on a reduction in the scope of the Coordinator classification from its original inception and a more appropriate internal alignment between the two classifications.

Additionally, based on the needs of the District, the Nutrition Services Coordinator work calendar has been reduced to 192 days. As such, the proposed revised "Supervisory Salary Schedule" includes a revised title, number of workdays, and range reallocation for Nutrition Services Coordinator.

In addition to these changes, the proposed revised schedule includes returning positions with fewer than 12 months, namely those positions with a 192-day work calendar, to a combined District Credit/Flex benefits process. When the Supervisory Salary Schedule was revised in January to include the flex amount, the calculations were based on 12-month positions. This has created, and will continue to create, a number of complications related to monthly payroll processing. By returning positions with a less

than 12-month work year to the full district health care credit and/or flexible spending account rather than building health care credits into the base salary rate, these payroll processing issues will be resolved.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the revised Board Policy #4241 Attachment A, "Supervisory Salary Schedule," as shown in the attached supplement.

EXECUTIVE SUMMARY

The Board of Trustees announced at its Special meeting on June 2, 2016, its intent to appoint Eric Dill, Associate Superintendent of Business Services, as Interim Superintendent, effective July 1, 2016, while the Board conducts a search to select and employ a new superintendent. During the period when the Interim Superintendent and Associate Superintendents have additional responsibilities, the district will not be paying a permanent superintendent salary.

With the recent announcement of Jason Vilorio, Associate Superintendent of Administrative Services accepting a superintendent position in another school district, the district administration is requesting approval to appoint Mark Miller as the Associate Superintendent of Administrative Services, and approve an employment contract for the term commencing July 1, 2016 through June 30, 2020.

**CONTRACT FOR EMPLOYMENT OF
ASSOCIATE SUPERINTENDENT, ADMINISTRATIVE SERVICES
BETWEEN
THE SAN DIEGUITO UNION HIGH SCHOOL DISTRICT
AND
MARK MILLER**

THIS AGREEMENT is hereby made and entered into this 16th day of June, 2016, by and between the BOARD OF EDUCATION ("Board") of SAN DIEGUITO UNION HIGH SCHOOL DISTRICT ("District") and MARK MILLER ("Associate Superintendent" or "Employee").

It is hereby agreed as follows:

1. Term of Employment:

The term of this Agreement shall be from July 1, 2016, through June 30, 2020, and may be extended on an annual basis upon mutual agreement. In no event shall the term of this Agreement be longer than four (4) years. Any extension of this term shall be approved by the Board in open session.

2. General Terms and Conditions of Employment:

This Agreement is subject to all applicable laws of the State of California, and the rules and regulations of the California State Board of Education and policies and regulations of the Board and the District. Said laws, rules, policies and regulations are hereby made a part of the terms and conditions of this Agreement as though herein set forth.

3. Powers and Duties:

The Associate Superintendent shall discharge those responsibilities and have the authority of Associate Superintendent, Administrative Services, as outlined in the job description approved by the Board.

4. Evaluations:

A. The Superintendent shall formally evaluate and assess in writing the performance of the Associate Superintendent at least once a year, in accordance with the terms herein and District Board Policy 4317, which is incorporated herein by this reference. If the Associate Superintendent's evaluation is deemed to be "satisfactory," the term of this Agreement may be extended by mutual consent of the Board of Trustees and Associate Superintendent. Any such extension shall be approved by the Board in open session.

5. Compensation:

A. Effective July 1, 2016, the Associate Superintendent shall receive an annual salary of \$195,455 and applicable longevity benefits. The Associate Superintendent shall be paid in twelve (12) approximately equal monthly installments. Except as otherwise stated herein, any adjustments in salary during the term of this Agreement must be mutually agreed to in writing, shall take the form of a written amendment approved in open session at a regular meeting of the Board of Trustees, and shall not operate as a termination or increase of the term of this Agreement.

B. The Associate Superintendent will not receive the Flexible Spending Account (FSA) previously provided. Instead, \$10,298 of the FSA funds previously provided to the Associate Superintendent under Board Policy 4345 have been permanently restructured into the Associate

ITEM 20 A-C

Superintendent's base salary, as authorized by and in accordance with Title 5, section 27600 of the California Code of Regulations. This restructured base salary is made effective on December 18, 2015.

C. Effective July 1, 2016, and continuing while an Interim Superintendent serves as the Acting Superintendent, the regular salary of the Associate Superintendent, Administrative Services shall be increased by \$1,000.00 per month.

6. Professional Schedule, Fringe Benefits and Sick Leave:

A. The Associate Superintendent is a full-time management employee and shall have a two hundred and twenty-three (223) day positive work year each school year during the term of this Agreement. All other days are considered non-work days. The Associate Superintendent shall be entitled to take all paid holidays provided to other District management employees.

B. The Associate Superintendent shall be entitled to receive all fringe benefits, including health and welfare benefits, which are provided to the District's certificated management employees. This shall include any credit provided to certificated management employees for the purchase of medical benefits.

C. The Associate Superintendent shall be eligible to receive District-sponsored management health and welfare benefits upon retirement through the age of Medicare eligibility, pursuant to Board Policy 4343. In no event shall the retiree benefits vesting schedule applicable to the Associate Superintendent be more advantageous to that available to certificated bargaining unit members.

D. The Associate Superintendent shall be entitled to paid vacation at the rate of twenty-four (24) days per school year. The District strongly urges the Associate Superintendent to take all vacation that is allocated to the position each year. In the event accrued vacation days plus current year vacation days' accumulation reach a maximum of forty-eight (48) days, further accrual of vacation days will cease until accumulated vacation is used so as to reduce the number of unused accumulated days below forty-eight (48). At that time, vacation accrual will recommence, until a maximum of forty-eight (48) days is again reached.

E. The Associate Superintendent shall be credited annually with twelve (12) days of sick leave. Sick leave shall be accrued and accumulated as provided by the Education Code and Board rules and regulations.

7. Expenses:

A. In accordance with District policies and regulations and applicable law, the District shall pay the Associate Superintendent for all actual and necessary expenses while performing day-to-day duties on behalf of the District.

B. The District encourages the Associate Superintendent to participate in professional and community organizations and activities. The District shall pay the Associate Superintendent's annual professional membership dues in the Association of California School Administrators ("ACSA") and one additional professional association of choice that is related to public education or its administration. The Associate Superintendent is expected to regularly participate in these organizations.

C. The Associate Superintendent is expected to attend appropriate professional meetings at the local, state, and national levels. Prior approval of the Superintendent shall be obtained when the Associate Superintendent attends state and national functions, whenever the actual and necessary expenses of attendance shall be paid by the District.

ITEM 20 A-C

D. With prior approval by the Superintendent, the Associate Superintendent may engage in outside professional activities including consulting, speaking, writing, and participating in professional associations related to education, provided said activities do not interfere with the Associate Superintendent's duties. Days spent on such endeavors shall not be counted as working days by the Associate Superintendent.

8. Termination:

A. The Board may elect to terminate the Agreement prior to its expiration without cause upon forty-five (45) days written notice to the Associate Superintendent. In such an event and in acknowledgement of the difficulty or impossibility of calculating damages to the Associate Superintendent as a result of such termination, the parties agree that in the event of the Associate Superintendent's termination other than for cause (as defined below), the liquidated amount of damages owed by the Board shall be the base salary, as set forth above, remaining to be paid during the full term of this Agreement, up to a maximum of twelve (12) months. No additional sick leave shall accumulate after the date of termination. The salary payment of the severance package shall be paid within thirty (30) days from the date of termination. In the event Associate Superintendent agrees to be reassigned to another position in the District upon termination of this Agreement, the above liquidated severance package shall be offset by Associate Superintendent's salary in the new position. The parties agree that this provision meets the requirements governing maximum cash settlements as set forth in Government Code sections 53260, *et seq.*

B. In the event of a termination without cause, the Associate Superintendent shall continue to receive health and welfare benefits (medical only) for the full remaining term of this Agreement, up to a maximum of twelve (12) months, or until the Associate Superintendent is eligible for another employer-sponsored health plan, whichever occurs first. The parties agree that this provision meets the requirements governing maximum cash settlements as set forth in Government Code sections 53260, *et seq.*

C. Notwithstanding any other provision of this Agreement to the contrary, if the Board believes, and subsequently confirms through an independent audit, that the Associate Superintendent has engaged in fraud, misappropriation of funds, or other illegal fiscal practices, then the Board may terminate the Associate Superintendent and the Associate Superintendent shall not be entitled to the cash, salary payments, health benefits or other non-cash settlement as set forth herein.

D. If the Associate Superintendent is convicted of a crime involving an abuse of office or position, the Associate Superintendent shall fully reimburse the District of any and all cash settlements received due to termination. This provision is intended to implement the requirements of Government Code section 53243.2, which is incorporated into this Agreement by this reference.

If the Associate Superintendent is placed on paid administrative leave pending an investigation, the Associate Superintendent shall fully reimburse the District if convicted of a crime involving an abuse of office or position. This provision is intended to implement the requirements of Government Code section 53243, which is incorporated into this Agreement by this reference.

If the District provides funds for the legal criminal defense of the Associate Superintendent, the Associate Superintendent shall fully reimburse the District if the Associate Superintendent is convicted of a crime involving an abuse of office or position. This provision is intended to implement the requirements of Government Code section 53243.1, which is incorporated into this Agreement by this reference.

E. The Governing Board may elect to terminate the Associate Superintendent's Agreement for cause at any time. For the purposes of this Agreement, "cause" shall exist if the Associate Superintendent: (1) refuses or fails to act in accordance with a specific provision of this

ITEM 20 A-C

Agreement or direction or order of a majority of the Board; (2) is convicted of a crime involving dishonesty, breach of trust, or physical or emotional harm to any person; or (3) is unable to perform any of the essential functions of the position. The existence of such cause shall constitute a material breach of this Agreement and shall extinguish all rights and duties hereunder. In the event such cause exists, the Governing Board shall give the Associate Superintendent: (a) written notice of the proposed action and the reasons therefor; (b) a reasonably detailed account of the charges and the materials upon which the proposed action is based; (c) notice of the right to respond orally or in writing to the Board; and (d) the right to a meeting with the Board. Any request for a meeting shall be filed by the Associate Superintendent with the presiding officer of the Board within ten (10) days after service of the notice of proposed action. The meeting, if requested, shall be held in closed session at the next regular or special Board meeting, and in no event more than thirty-five (35) days after service of the notice of proposed action. The Associate Superintendent and Board shall have the right to be represented by counsel at their own expense. The Associate Superintendent shall have a reasonable opportunity to respond to all matters raised in the charges. The meeting shall be conducted by the Board and shall not be an evidentiary hearing and neither party shall have the opportunity to call witnesses. After the meeting, the Board shall issue a decision in the form of a resolution either rescinding or confirming the charges and specifying the action to be taken. The Associate Superintendent shall be notified in writing within five (5) days of the decision. The decision of the Board shall be final. The Associate Superintendent's meeting with the Board shall be deemed to satisfy the Associate Superintendent's entitlement to due process of law and shall be the Associate Superintendent's exclusive right to any conference or hearing otherwise required by law. The Associate Superintendent waives any other rights that may be applicable to this termination for cause proceeding with the understanding that completion of this hearing exhausts the Associate Superintendent's administrative remedies.

F. The District and Associate Superintendent agree that the payment provided under Sections 8.A-B of this Agreement shall constitute the exclusive and sole remedy of any kind for termination of employment without cause and the Associate Superintendent agrees and covenants not to assert or pursue any other remedies of any kind, whether they be administrative, at law or in equity, with respect to said termination of employment. Further, upon acceptance of payment under 8.A-B, the Associate Superintendent agrees to waive and release the District from any claims and/or causes of action against the District or Board in any way related to employment by the Board, including, but not limited to, claims or actions under this Agreement.

G. Upon written evaluation by a licensed physician designated by the Board indicating the inability of the Associate Superintendent to perform any of the essential functions of the position, with or without reasonable accommodation, this Agreement may be terminated by the Board upon written notice to the Associate Superintendent and after providing a reasonable opportunity to respond. The Board may, in its sole discretion, allow the Associate Superintendent to continue in employment until expiration of current and accumulated sick leave and differential leave, but upon receipt of the written evaluation specified above, may immediately assign another employee the duties of Associate Superintendent.

9. Notice of Finalist in Search:

In all cases the Associate Superintendent shall immediately notify the Board of Education in the event of becoming a finalist in the selection process for a position with any other school district.

10. Waiver:

No waiver of any breach of any term or provision of this Agreement shall be construed to be, nor shall it be, a waiver of any other breach of this Agreement. No waiver shall be binding unless in writing and signed by the party waiving the breach.

ITEM 20 A-C

11. Modification:

This Agreement may not be amended or modified other than by a written agreement executed by the Superintendent and approved by the Board at open session at a regularly scheduled meeting.

12. Complete Agreement:

This instrument constitutes and contains the entire agreement and understanding between the parties concerning the Associate Superintendent's employment with the District. This instrument supersedes and replaces all prior negotiations and all agreements proposed or otherwise, whether written or oral, concerning the subject matter hereof. This is an integrated document.

Hence, in any construction to be made of this Agreement, the same shall not be construed against any party on the basis that the party was the drafter. The captions of this Agreement are not part of the provisions hereof and shall have no force or effect.

15. Communications:

All notices, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been duly given if delivered or if mailed by registered or certified mail, postage prepared, addressed to the Superintendent and/or Board of Education at 710 Encinitas Blvd, Encinitas, CA 92024. Either party may change the address at which notice shall be given by written notice given in the above manner.

16. Execution:

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Photographic copies of such signed counterparts may be used in lieu of the originals for any purpose.

17. Legal Counsel:

The Associate Superintendent and the Board each recognize that in entering into this Agreement, the Parties have relied upon the counsel of persons of their own choosing, and that the terms of this Agreement have been completely read and explained to them, and that those terms are fully understood and voluntarily accepted by them.

18. Savings Clause:

If any provision of this Agreement or the application thereof is held invalid, the invalidity shall not affect the other provisions or applications of the Agreement which can be given effect without the invalid provisions or applications, and the provisions of this Agreement are declared to be severable.

ITEM 20 A-C

19. Renewal of Agreement:

The Board may, but is not required to, notify the Associate Superintendent of its intent to renew or not renew this Agreement. The notification shall be in writing and delivered no later than January 1, 2020, or, if this Agreement is extended, by January 1 of the final year on the renewed term. If the Board fails to or decides not to notify the Associate Superintendent of its intention to renew or not to renew this Agreement prior to the above date, this Agreement shall automatically expire on its stated date. SUBJECT: LOCAL CONTROL ACCOUNTABILITY PLAN
(LCAP) REVIEW & PUBLIC HEARING

EXECUTIVE SUMMARY

Complementing the changes to state funding made by the Local Control Funding Formula (LCFF) is the required Local Control and Accountability Plan (LCAP). The LCAP is LCFF's vehicle for transparency and engagement. It is the way that school districts are expected to share performance data, needs, actions, and anticipated outcomes that guide the use of available LCFF funding. Before the start of the 2016-17 school year, all districts need to develop a Local Control and Accountability Plan prior to the adoption of their budget by July 1st.

According to Education Code section 52060, the LCAP must describe for each district and each school within the district the annual goals for all students including calling out details for students designated as low-income, English learners and foster youth that address state and local priorities. The LCAP must also describe the specific actions that the district will take to achieve the goals it has identified with budget details that show the level and type of state expenditures made to support these actions.

The state priorities are expressed as metrics for which districts are expected to develop performance measures to demonstrate how LCFF and the LCAP support student outcomes.

Priority 1: Student Achievement: Pupil achievement as measured by multiple indicators including, but not limited to, assessment data, college readiness, and language proficiency.

Priority 2: Student Engagement: Pupil engagement as measured by multiple indicators including, but not limited to, rates associated with attendance, chronic absenteeism, dropout (middle and high school), and high school graduation.

Priority 3: Other Student Outcomes: Pupil outcomes, if available, in the subject areas comprising a broad course of study.

LCAP
June 16, 2016
Page 2

Priority 4: School Climate: School climate as measured by multiple indicators including, but not limited to, pupil suspension and expulsion rates as well as other local measures assessing safety and school connectedness.

Priority 5: Parental Involvement: Parental involvement, including efforts the school district makes to seek parent input in making decisions for the school district and each individual school site, and including how the school district will promote parental participation in programs for economically disadvantaged pupils, English learners, foster youth, and individuals with exceptional needs.

Priority 6: Basic Services: Demonstrating compliance with Williams Act requirements. This includes reporting appropriate teacher assignment, sufficient instructional materials, and facilities in good repair.

Priority 7: Implementation of Common Core Standards: Implementation of the academic content and performance standards adopted by the State Board of Education (SBE), including how the programs and services will enable English learners to access the Common Core academic content standards and the English Language Development standards.

Priority 8: Course Access: The extent to which pupils have access to, and are enrolled in, a broad course of study that includes core subject areas (i.e., English, mathematics, social science, science, visual and performing arts, health, physical education, career and technical education, etc.), including the programs and services developed and provided to economically disadvantaged pupils, English learners, foster youth, and individuals with exceptional needs.

Education Code Section 52062 requires that the agenda of the LCAP public hearing to be posted at least 72 hours before the LCAP public hearing and must include the location of where the LCAP will be available for public inspection. A public hearing will be held on June 16, 2016 to solicit recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the Local Control Accountability Plan.

Attached is a copy of the DRAFT of the SDUHSD LCAP that was available for public viewing.

Local Control Accountability Plan

San Dieguito Union High School District

2016-2019

*Mission: To provide a World-Class
Education For All Students:
Engaged, Inspired, Prepared*

San Dieguito Union High School District

Local Control Accountability Plan 2016-2019

Vision: To provide a world-class education for all students through quality programs that engage students, inspire achievement and service to others; prepare them to be lifelong learners and responsible members of society

San Dieguito Union High School District is widely recognized as an outstanding district throughout San Diego County and the state. This reputation for quality is a result of many factors. First, San Dieguito is a district with a clear, unwavering focus on student learning and improving education outcomes for all students. Our students experience the very best teaching and learning strategies based on research and strong professional development. Student achievement has increased year over year and our students are among the highest-achieving students in the state.

San Dieguito Union High School District is a future ready district. We are committed to providing 21st century teaching and learning to all of our students to ensure that they are ready for both college and career. Opportunities include a wide range of courses, beginning in our feeder elementary schools, continued as they transition to our middle schools and continuing through high school, in computer sciences, STEM, and Career Technical Education that give our students a broad range of experiences.

Our teachers and leaders are committed to continuous improvement, and participate in ongoing professional development focused on developing engaging lessons and learning opportunities for our students. Students are engaged in communicating, collaborating, and thinking both creatively and critically throughout the learning process to ensure that they gain these important skills along with the strong content knowledge needed to be successful in today's world. Our Prop AA Bond work is focused on creating 21st century classrooms that are flexible, adaptable, and technology-rich learning environments for our students and staff.

SDUHSD serves as a model for the Professional Learning Community (PLC) philosophy, in which teachers and site leaders work collaboratively with the shared goal of improving student learning through the use of identified essential learning outcomes for all students. The California State Standards (CSS) provide the foundation for powerful classroom instruction, effective intervention strategies, and rigorous and relevant curriculum. In addition, SDUHSD students continue to enjoy exemplary athletic, music, art and enrichment programs that foster well-rounded students who are prepared for global citizenship. Social emotional well-being as well as student safety and connectedness continues to be a priority in our district, as we continuously monitor programs, grades 7-12, to ensure that we are meeting the needs of our students. Students in San Dieguito will be ready for the challenges of the future!

The San Dieguito Union High School District 2016-2019 LCAP

The Local Control Accountability Plan (LCAP) is the benchmark by which we guide and implement our efforts to educate children. It is comprised of goals that focus District practices and resources to ensure students are college and career ready upon graduation. The LCAP shows the alignment of SDUHSD curriculum, instruction, assessment, and interventions with the eight State priorities.

Stakeholder Input

Each stakeholder has the opportunity to provide meaningful input, and through that process, develop a deeper understanding of the amount of work to be done and the valuable role they play in supporting student success. The state legislature mandates requirements for stakeholder engagement in the LCAP building process. SDUHSD stakeholder engagement is detailed in Section 1 of the LCAP. SDUHSD solicited feedback from students, parents, community partners, faculty and staff via in-person meetings, focus groups, and an online survey to elicit input. Each school utilizes their School Site Council to create school goals aligned with the District LCAP goals. The School Plans, with engagement of stakeholder representatives and review of school and district data, are then used to inform any additional actions and expenditures for the San Dieguito Union High School District LCAP.

Goals, Actions, Services, and Expenditures

The LCAP goals, based on SDUHSD strategic themes, have been set to meet identified student needs and student program goals. These goals align with the 8 state priorities: student engagement, student achievement, school climate, course access, parent involvement, implementation of state standards, other student outcomes, and basic services. Each goal is assigned one or more progress indicators—metrics that are either quantitative or qualitative. The progress indicators, some of which are required by the state, are used to monitor the implementation of the LCAP. The LCAP goals are aligned to actions and services, as well as related expenditures,

including additional actions and services directed to serve and support English Learners, re-designated fluent English proficient students, foster youth, homeless youth and low-income students.

Goal #1: Annual increase in student achievement for all students in English language arts and math with focus on accelerating student learning outcomes for target subgroups including English Learners, low income pupils and pupils performing below grade level.

Annual Update

For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions, a description of any changes to the actions or goals the LEA will take as a result of the review and assessment, and a review of the applicability of each goal in the LCAP.

The LCAP is an ambitious document created from the input of the San Dieguito UHSD community. This document meets both the requirements of the state and the expectations of the District's stakeholders. The LCAP was created to inform all district efforts and actions, through rigorous progress monitoring and data analysis, in order to meet the needs of all SDUHSD students, staff, families, and the San Dieguito community.

The San Dieguito Union High School District thanks the community for its efforts in the development of this Local Control Accountability Plan.

Introduction:**LEA:** San Dieguito Union High**Contact:** Jason Vilorio, Associate Superintendent of Administrative Services, jason.vilorio@sduhsd.net, (760)753-6491**LCAP Year:** 2016-17***Local Control and Accountability plan and Annual Update Template***

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education

Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

(Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP

I. Stakeholder Feedback

SDUHSD used multiple means and venues to engage our community stakeholders. The district's efforts began in March 2016 with a series of meetings at all of our school sites focused on the areas of need identified from stakeholder feedback. Additional outreach was conducted through the SDUHSD LCAP survey, Superintendent site meetings, DELAC/ELAC meetings, Parent Curriculum Meetings, as well as student focus groups.

I. Stakeholder Feedback

After over 30 community meetings as well as collection of online survey data, the district has confirmed the common recurring themes from previous years, which are listed below.

Themes include:

- a. California State Standards support, including differentiation for all students, curriculum adoption, and effective use of assessment
- b. College and Career Readiness for all students
- c. Increase in overall student achievement
- d. Increase in the reclassification rate of English Learners
- e. Importance of developing and maintaining a positive school environment and sense of safety for all students
- f. High quality teachers and accountability for academic achievement
- g. Increased opportunities for parents of English Learners to attend district workshops

These themes are reflected in the goals, action/services and investments of the district.

As a result of ongoing parent feedback, SDUHSD's Superintendent continued his attendance at site meetings and public forums throughout the year to increase communication with SDUHSD families and the community.

II. Information/Input Sources:

Based on feedback gathered during DELAC meetings and response data from the LCAP survey, parents expressed interest in continuing and expanding parent education programs for EL families and pupil academic support programs for EL students with increased topics regarding financial aid for universities and course/curriculum topics. Based on feedback from teachers and EL student focus groups, SDUHSD will continue to offer the Newcomers program at one high school in the district.

In addition to face to face meetings, the district developed a website with information related to LCFF funding and LCAP development.

<http://www.sduhsd.net/About-SDUHSD/Department-Listing-/Educational-Services/LCAP-Local-Control-and-Accountability-Plan/index.html>.

The district also used data gathered from the district-wide San Dieguito LCAP stakeholder survey, results from the 2015 California Healthy Kids Survey and California School Climate Survey for staff.

A stakeholder survey was shared through the district website and emailed to all pupils, staff, parents and community stakeholders to solicit feedback related to the goals and eight state priorities highlighted in the San Dieguito Union High School District Local Control and Accountability Plan. The survey produced over 1800 responses from students, parents, staff and community members.

LCAP survey participation data

- 70% parents and/or guardians or community members
- 13% students
- 17% staff members
- 4% identified as EL students and/or families
- 0% identified as Foster Youth students and/or families

III. Other data collected

SDUHSD used the following quantitative data for the goal setting process:

Graduation rate, A-G progress data, teacher mis-assignment rates, instructional materials use rate, Title III Accountability report, facility inspection data, SBAC ELA proficiency rates, SBAC math proficiency rates, English Learner reclassification rate, Long Term English Learner rate, course enrollment data, Advanced Placement (AP) data including enrollment and exam passage rates, suspension and expulsion data, attendance data and stakeholder survey data as well as SIS data.

A draft of the SDUHSD 2016-2017 LCAP was presented for feedback and approved by the Parent Curriculum Advisory Committee (PCAC) on 5/24/16, SDUHSD Coordinating Council on 5/18/16 and the District English Learner Advisory Committee (DELAC) on 5/24/16.

Based on data review from LCAP surveys, SIS data, and parent meetings, focus areas for 2016-2017 will include expanding Career Technical Education coursework and pathways for all students as well as increasing support for general education students in the area of mental health, Restorative Practice and alternative methods for discipline, continued focus on professional development (classified and certificated) and professional learning

Highlights of stakeholder feedback from the LCAP survey results are listed below:

1. Respondents express positive perceptions of curriculum and course offerings at SDUHSD schools. Overall, 85 percent of respondents strongly agree or agree that SDUHSD has an appropriate number and variety of advanced or accelerated courses. In addition, 82 percent strongly agree or agree that SDUHSD has high expectations for students and 79 percent strongly agree or agree that SDUHSD offers rigorous curriculum and instruction aligned to Common Core State Standards.
2. Respondents touch on career and technical education (CTE) as an area for improvement in SDUHSD schools. Respondents least agree with statements regarding offering an appropriate number of CTE courses and pathways for students (59% strongly agree or agree that SDUHSD does so) in comparison with other curricular statements. Furthermore, staff members are the least satisfied with professional development opportunities related to CTE in comparison with other opportunities, with 49 percent of staff being very satisfied or satisfied with these opportunities. In addition, several respondents mention focusing on technical education or on education related to careers when asked about future LCAP priorities.
3. Alternative methods of discipline are another area that respondents touch on for improvement. Respondents least agree with statements involving school discipline in comparison with other areas of school climate. Sixty-four percent of respondents either strongly agree or agree that SDUHSD effectively incorporates alternative approaches to discipline, suspension, and expulsion. In addition, staff members are not as satisfied with professional development opportunities involving restorative justice (49% very satisfied or satisfied) as they are with other opportunities.
4. Professional development opportunities are an area of focus for staff members. Sixty-seven percent of staff members strongly agree

Learner Advisory Committee (DELAC) is serving in place of the English Learner Parent Advisory Committee (ELPAC)

A public hearing was held by the SDUHSD Board of Education on June 16, 2016 to allow for public input on the proposed plan.

or agree that the district provides meaningful development opportunities for teachers. However, opinions are less positive regarding meaningful opportunities for support staff (51%). Relatively fewer staff members report satisfaction with the availability of professional development (55%) and with Professional Learning Communities (PLCs) (57%). Additionally, 20 percent feel dissatisfied with the quality of professional development.

5. Parents whose children are in an English Language Learner/English Language Development Program or whose children have been Reclassified English Proficient generally agree with positive statements about SDUHSD regarding English Learners. Over 75 percent of respondents either strongly agree or agree with the statements presented to them regarding English Learners. In particular, 85 percent of respondents either strongly agree or agree with the idea that "SDUHSD provides programs, curriculum, and supports that help English Learners make progress towards learning English." This mirrors a similar finding from a previous survey which found that 84 percent of respondents agree "that all pupils identified as English Learners in SDUHSD receive instruction and curriculum that includes designated and integrated language that helps English Learners become redesignated."

6. Respondents whose children are English Learners most frequently describe student support as a desired topic for future parent education workshops. Comments falling into this category included requests for information on the college application process (such as information on financial aid and potential colleges), drug abuse prevention, and sex education. Other frequently mentioned topics include courses and curriculum-related topics, such as adding certain types of courses or providing guidance for parents to help students with their coursework. Communication, in particular how to use technology and communicate with teachers, also emerged as a theme for parents of English Learners.

7. Respondents most often agree that schools are welcoming to students, with 89 percent of respondents either strongly agreeing or agreeing. Respondents also tend to view the security of SDUHSD schools favorably, with 86 percent of respondents either strongly agreeing or agreeing that the schools are safe.

After reviewing stakeholder feedback and quantitative data, the district identified priority focus areas (listed below) to develop goals,

actions and services for the 2016-2019 LCAP.

1. Increase student achievement
2. Decrease LTEL rates and increase reclassification rates
3. Increase college and career readiness and CTE course options
4. Increase level of "school connectedness" and "sense of safety" with a focus on supporting general education mental health needs at our schools, specifically increasing the level of Non-Academic Support (e.g., support for sports, counseling support, career support, other life skills)

The priorities identified above are included in the district's budget and investments for foster youth, English Learners, and low income students as identified on subsequent pages of this document. The LCFF investment priorities reflect the feedback received from stakeholders and student data, and are tied to the academic data and needs of our students.

The following best practices were recommended by community stakeholders and incorporated into the goals and actions of the SDUHSD 2016-2019 LCAP:

- a. Increased communication with and training for parents and other stakeholder groups
- b. Differentiated instructional support for all subject areas including Professional Development support for teachers in this area.
- c. Increase the reclassification rate of English Learners
- d. Effective teacher support and evaluation
- e. Availability of instructional materials and adequate facilities
- f. Course access, particularly accelerated courses
- g. Increased academic support opportunities
- h. Increased school to home communication

	<p>Staff feedback gathered through site and district level meetings and professional development workshops, highlighted the need to continue and expand our professional development opportunities, increase opportunities for teacher collaboration, and continue our work around training staff on instructional shifts associated with 21st Century Instructional practices. The district will continue its efforts to support teachers with professional development regarding the transition to the California State Standards, California English Language Development Standards and the Next Generation Science Standards. The district is committed to supporting teachers' use of formative assessment and the Professional Learning Community process to support the use of data.</p>
<p>Annual Update:</p> <p>I. Stakeholder Feedback</p> <p>SDUHSD used multiple sources to inform, educate, solicit, engage and gather input from all of our stakeholders. Stakeholders groups included parents, community partners, students and staff. Timeline of activities were set to guide and pace the LCAP development process. Meetings were held in the mornings, evenings and on weekends to allow for availability and participation. Between August 2015 and March 2016, SDUHSD consulted with stakeholder groups to gather feedback related to the goals and actions in the 2015-2016 LCAP and other related areas.</p> <p>II. Information/Input Sources:</p> <p>SDUHSD stakeholder survey was posted on the district website and emailed to all pupils, staff, parents and community stakeholders to solicit feedback related to the goals and eight state priorities highlighted in the San Dieguito Union High School District Local Control and Accountability Plan. Throughout the 2015-16 school year, SDUHSD continued to engage in learning about the Local Control Funding Formula (LCFF) and familiarizing stakeholders with requirements for developing a Local Control Accountability Plan (LCAP).The district gathered input and suggestions from stakeholder groups; and finally, used the feedback to develop and write a plan.</p> <p>2015-2016 Information/Input Sources:</p>	<p>Annual Update:</p> <p>Annual Update:</p> <p>I. Within five (5) years of instruction in SDUHSD, all English Learner pupils will be reclassified as Redesignated English Proficient. • Goal #3: All district graduates are college and career ready • Goal #4: Increase the level of "school connectedness" and "sense of safety" of pupils, staff and parents.

The district also used data gathered from the district-wide San Dieguito LCAP stakeholder survey, results from the California Healthy Kids Survey and California School Climate Survey for staff.

III. Other data collected

SDUHSD used the following quantitative data to measure growth:

Graduation rate, A-G Progress data, teacher mis-assignment rates, instructional materials use rate, Title III Accountability report, facility inspection data, historic CST ELA proficiency rate, historic CST math proficiency rate, English Learner reclassification rate, Long Term English Learner rate, course enrollment data, Advanced Placement (AP) Data including enrollment and passage rates, suspension and expulsion data, attendance data and stakeholder survey data.

Changes made to the LCAP actions based on stakeholder feedback for 2016-2017 are reflected in the annual update tables.

II. Information/Input Sources:

Based on feedback gathered through community meetings and survey results, the district identified focus areas for the 2016-2019 LCAP which are listed below. These themes are reflected in the goals, actions, services and investments of the district.

Themes include:

- a. Continue with the consolidated LCAP goals for communication clarity
- b. Continue to investigate education and training opportunities for English Learner families, specifically Spanish speaking families
- c. Increase in overall student achievement

III. Other data collected- see Preface and Appendix for data and graphs

The data was used in conjunction with stakeholder feedback gathered through community meetings to identified focus areas for development of the 2016-2019 LCAP.

Permissible within the CA Education Code, the SDUHSD District English Learner Advisory Committee (DELAC) is serving in place of the English Learner Parent Advisory Committee (ELPAC)

A public hearing will be held by the SDUHSD Board of Education on June 16, 2016 to allow for public input on the proposed plan.

SDUHSD Board of Education will adopt the 2016-2019 LCAP and 2016-2017 budget on June 30, 2016.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand

the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to

- specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
 - 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

- 68% of SDUHSD students tested scored in the Standard Met to Standard Exceeded range in Math
- Redesignated Fluent English Proficient (RFEP) students performed similarly to their English Only peers.
 - The percentage of RFEP students who scored within the Standard Met to Standard Exceeded range is similar when compared to their English Only peers.
 - ELA, RFEP=72%, English Only=79%

- Math, RFEP=63%, English Only= 68

- When compared to their peers, the significant subgroups of Hispanic students, English Learners, students with disabilities and Economically Disadvantaged students had a smaller percentage of students scoring within the Standard Met to Standard Exceeded range.

1.d./1.j. Williams' Certification presented to and approved by the SDUHSD Board quarterly on 7/16/15, 10/15/16, 2/18/16 and 4/21/16 each indicates that 100% of instructional materials for pupils in grades 7-12 are aligned to California State Standards in ELA and Math.

1.e. District Coordinator of Student Services presented data on academic achievement gaps, attendance concerns, health and wellness issues as well as remedial course enrollment to identify at-risk students at each site. District counselors identified areas of need based on continuous data review at each Head Counselor meeting and developed a tiered system of intervention to support students performing below grade level. Counselors conducted grade level presentations for all students related to high school readiness, post-secondary goals and social-emotional wellness at the middle school level. High school grade level presentations topics included; college and career readiness, high school graduation requirements, UC/CSU eligibility, social-emotional wellness, 4 year plans and post high school transition readiness. As a second tier of intervention, counselors meet with small groups of students including students enrolled in below grade level courses, English Language Development courses, students on the quarterly D/F list as well as students who have been</p>	<p>Contract with Hanover for research and program evaluation services. 5800: Professional/Consulting Services And Operating Expenditures Title I \$41,000 (See Goal 4 Action A)</p>		

identified as needing additional social-emotional support to demonstrate academic readiness. Middle school counselors meet with students enrolled in below grade level Math courses and worked with the student to develop a 6 year plan to map the students course sequence needed to reach grade level courses.

As a third tier of support, counselors meet individually with students who are identified as at-risk of failing their courses, not meeting graduation requirements or who are habitually tardy or truant. Counselors worked with these students in collaboration with site administration to use Restorative Practices to create an Academic Success Plan that supports the student's unique needs and goals.

Additionally, SDUHSD contracted with Hanover Research and commissioned a study on best practice related to RTI in relation to secondary schools. Key findings from the study that were implemented in the 15-16 year includes;

1. Director of Special Education and the Coordinator of Student Services worked with site teams to create a tiered intervention system which has resulted in a significant (32%) reduction in special education initial assessments.
 - i. 7/1/2015 - 5/12/2016: 81 Initial evaluations, 29 of which did not qualify for special education services.
 - ii. 7/1/2014 - 06/30/2015: 170 Initial evaluations, 58 of which did not qualify for special education services.
2. Collaborative planning and RTI training for district Administrators on using student data to inform decision-making and intervention design at each site.

Goal Applies to:	Schools:	All Schools	
	Grades:	All	
	Applicable Pupil Subgroups:	Redesignated fluent English proficient, English Learners	
Expected Annual Measurable Outcomes:	<p>2.a. 76% of English Learner (EL) pupils will make annual progress in learning English as measured by the California English Language Development Test (CELDT).</p> <p>2.b. A 3% increase in the percentage of EL pupils attaining the English proficiency level on the CELDT.</p> <p>2.c. A 5% increase in the number of EL pupils achieving proficient or above proficient on the LAS Links assessment, compared to the previous year.</p> <p>2.d. A 3% increase in reclassification of EL pupils as Redesignated Fluent English Proficient (RFEP) (2013-2014=11.6%).</p> <p>2.e. The district will implement and refine criteria for reclassification of EL pupils.</p> <p>2.f. Establish baseline English Proficiency levels for English Learner pupils enrolled in the Newcomers Program as measured by overall CELDT scores.</p> <p>2.g. 0% teacher of English Learners mis-assignment rate</p> <p>2.h. Percentage increase of RFEP students scoring proficient or above on Smarter Balanced Assessment Consortium (SBAC) assessments in ELA. Percent increase will be determined upon review of baseline data in 2015.</p>		<p>Actual Annual Measurable Outcomes:</p> <p>2.a. Internal district analysis of 14-15 compared to 15-16 CELDT results using the California Department of Education growth criteria from the Title III Accountability report shows that 76.0% (190/250) of English Learner (EL) pupils made annual progress in learning English in 15-16 as measured by an increase of at least one performance level for those students who earned an Overall score of 1-3 and maintaining a score in the Proficient range overall and in all four domain areas for those students who scored level 4 or 5 Overall in 2014-15.</p> <p>2.b. The percent of students tested in grades 7-12 who scored within the proficient range on the CELDT has remained relatively constant at approximately 59-60% for the 13-14, 14-15 and 15-16 administration.</p> <p>2.c LAS Links assessment results</p> <p>Fall 14' to Fall 15' Comparison</p> <ul style="list-style-type: none"> • 13.2% increase in the number of students scoring Proficient or Advanced <ul style="list-style-type: none"> ◦ Fall 14' 39.3% of students tested scored Proficient or Advanced ◦ Fall 15' 52.5% of students tested scored Proficient or Advanced • 38% of students tested increased at least one proficiency level. <p>Fall 14' to Spring 15' Comparison</p> <ul style="list-style-type: none"> • 29% of students tested increased at least one proficiency level within one year.

- 28% (32/114) of students attained proficiency as measured by a score in the Proficient or Advanced range on Spring 15' results.

2.c. See Appendix A, Table 2.1 to review 3 year trends in Reclassification rates for English Learners by site.

In 14-15, SDHUSD reclassified 61 (11.6%) English Learners (ELs) to Redesignated Fluent English Proficient (RFEP). This represents a slight decrease (2.7%) in the percentage of ELs who met the criteria for reclassification from the previous year.

Further analysis of reclassification data from each site shows that:

- Of the 9 district sites, 2 district middle schools showed a significant increase in the number of English Learners who were Redesignated Fluent English Proficient (RFEP) from the previous year.
 - Diegueno Middle School, 20% increase
 - Carmel Valley Middle School, 7.7% increase
- Of the 9 district sites, 5 schools showed a negligible difference (>5) in the number of English Learners who were Redesignated Fluent English Proficient (RFEP) from the previous year.

2.e. SDUHSD continues to utilize a thorough reclassification process to increase success for EL students after they are Redesignated Fluent English Proficient. Reclassification criteria was reviewed and updated in 15-16 to reflect changes in legislation. Current reclassification criteria includes proficient scores on CELDT and SBAC as well as grades (C or higher) in English and recommendations from teachers, counselors and parents.

2.f. The Newcomers Program was implemented at one district middle school and one district high school during the 15-16 year. The middle school program serves 9 students and the high school program serves 30 students.

Of the 9 students who are enrolled in the middle school program, 7 participated in the 2015 CELDT administration; 3 received an overall score in the Beginning range, 2 students scored in the Early Intermediate range and 2 students scored in the Intermediate range overall.

Of the 30 students enrolled in the high school program, 23 participated in the 2015 CELDT administration; 18 received an overall score in the Beginning range and 5 students scored in the Early Intermediate range. We will continue to monitor progress on these students and measure growth using CELDT and LAS Links score results.

LCC Newcomers Program LAS Links Assessment results indicate:

- 62% (13/21) of students tested demonstrated growth Overall as measured by a 10 point or greater increase in scale score from Fall 15' results to Spring 16' results.
- 31% (4/13) of the students tested who demonstrated growth increased one proficiency level from Fall 15' results to Spring 16' results.

2.g. All teachers are required to have an English Learners Authorization. If a teacher does not have the authorization, they must apply for an emergency CLAD certificate while they work toward the authorization. 0% teacher of English Learners mis-assignment rates as measured by total course sections.

2.h. Baseline data from the 2014-15 SBAC administration for English Learners and English Only

Actual Annual Measurable Outcomes:	3.a. 64.4% of SDUHSD students were enrolled in at least one Advanced Placement or Honors course in 15-16. This represents an increase of 2.3% when compared to the previous year.

Utilizing the results from our Hanover study regarding Academic Impact of Mathematics on At Risk students it was substantiated that the most at-risk students who were not meeting A-G requirements started their middle school Math sequence in below grade level Math. As a result of this study, all counselors were advised at the middle and high school level to meet with students in below grade level Math courses and to</p>

discuss interventions available to students and how each individual student could get to grade level Math and or remain in the below grade level sequence and still be UC/CSU eligible.

3.b. All district Head Counselors met twice in the Fall to develop protocol for pupils to develop 6 year plans.

1. Counselors identify at-risk students (students enrolled in below grade level Math courses and students earning a D or F in core content class/es).
2. Counselors meet with the each student individually to discuss student strengths and areas of needed support.
3. Student and counselor review course pathways and map out a plan for the student to enroll and succeed in grade level courses.
4. Counselors conduct quarterly grade checks to monitor student progress and schedule follow up meetings as needed.

3.c. Aeries SIS data indicated that, to date (5/3/2016), counselors have met with 960 students and held 1,034 individual meetings to discuss 4 year/6 year plans.

3.d. UC/CSU eligibility rates for all students decreased slightly by 1.1% from 76.2% in 13-14 to 75.1% in 14-15 although the number of eligible graduates remained stable at 1,522. UC/CSU eligibility rates for the significant subgroups of Socio-economically disadvantaged students and Hispanic students both increased (Low SES, increased 4.1% and Hispanic students, increased 2%) in 14-15 when compared to the previous year. 14-15 UC/CSU eligibility rates by site and subgroup are listed in Appendix A, Table 3.3.

3.e. Cohort High School graduation rates decreased

slightly by .7% from 96.7% in 13-14 to 96.0% in 14-15 as measured by the four year cohort graduation rate reported by the California Department of Education. Cohort graduation rates by site are listed in Appendix A, Table 3.4.

3.f. Career Technical Education (CTE) course enrollment increased 7.1% in 15-16 with an increase of 427 more students enrolled in CTE courses when compared to CTE course enrollment data from the previous year. CTE Course enrollment information for 15-16 was pulled from Aeries SIS on 4/11/16.

3.g. The Early Assessment Program (EAP) is designed to provide students, their families, high schools, colleges and universities with early signals about students' readiness for college-level English and Mathematics. The EAP has transitioned to align with new California content standards and the new Smarter Balanced tests which assesses student performance in English Language Arts and Math.

The method for making EAP determination based on student SBAC scores is explained below.

Standard Exceeded (LEVEL 4): Ready for English and/or Mathematics college-level coursework

Standard Met (LEVEL 3): Conditionally Ready for English and/or Mathematics college-level coursework

Standard Nearly Met (LEVEL 2): Not yet demonstrating readiness for English and/or Mathematics college-level coursework

Standard Not Met (LEVEL 1): Not demonstrating readiness for English and/or Mathematics college-level coursework

Baseline EAP results from the 14-15 SBAC ELA:

- 45% "College Ready"

- 32% “Conditionally Ready”
- 23% “Not Ready”

Baseline EAP results from the 14-15 SBAC Math:

- 37% “College Ready”
- 26% “Conditionally Ready”
- 37% “Not Ready”

See Appendix A, Table 3.5 for EAP results breakdown by site and Table 3.6 for EAP results breakdown by subgroup.

3.h. Course enrollment data on the percentage of females enrolled in courses that lead to a career in nontraditional fields revealed that the courses of Auto, Wood, Computer Science and Welding show a significant disproportionality of female enrollment.

- Auto- 7%
- Wood- 10.7%
- Computer science 32.2%
- Culinary arts- 53.3%
- Welding- 5%
- Child Development- 91%

3.i. Middle School: SDUHSD middle school students complete the CareerKey program through Naviance which identifies possible career paths based on each student’s personality profile. Counselors worked with students enrolled in below grade level and intervention classes to complete Naviance activities including CareerKey and Career Cluster. Counselors also supported these targeted students to develop a 6 year plan to meet their graduation goals.

Implement district agreed upon protocol to identify students who are not enrolled but may be successful in Advanced Placement courses.	<p>Hire additional Counselors</p> <p>1000-1999: Certificated Personnel Salaries</p> <p>Base \$150,000.00 (reflected in Goal 1 Action C)</p>	<p>District high school counselors use the College Board AP Potential program as well as other student data such as grades and attendance to identify students who may be successful in a particular Advanced Placement (AP) course. Counselors conduct course audits for these students at the beginning of each semester and schedule meetings with those students who are not enrolled but could be successful in an AP course.</p> <p>District provided additional funding to all high school sites in order for all students to take the PSAT in grades 9-11. This allows for increased numbers of students taking the PSAT in SDUHSD. SDUHSD proctored 5,508 PSAT tests in the fall. Total 15-16 grade 9-11 enrollment is approximately 6,500</p>	<p>Hired additional counselors, (3.4 FTE added) to reduce counselor ratios at the high schools.</p> <p>1000-1999, 3000-3999: Certificated Personnel Salaries and Benefits</p> <p>LCFF Base</p>

students, 85% of students in grades 9-11 took the PSAT, an increase of 400 more tests district-wide.

The district added an additional 3.4 FTE counselors to school sites in 2015-16, reducing the overall counselor to student ratio from 1 high school counselor to 540 students in 2013-14 to 1 high school counselor to 440 students in 2015-16 school year and 1 middle school counselor to 800 students in 2014-15 to 1 middle school counselor to 670 students in 2015-16 school year.

Rationale for difference between anticipated and actual expenditures:

SDUHSD initially budgeted the cost for 1.5 FTE to hire additional counselors. Due to increased enrollments, the allocation was increased to 3.4 FTE to reduce counseling caseloads.

Anticipated expenditures for certificated salaries were higher than expected due to the varying placement on the salary schedule for those specific teachers placed in the described positions.

Effectiveness:

Student Information system data indicates that counselors held 144 individual student meetings to discuss AP potential.

- 82% (119/144) of students who counselors met with regarding AP Potential were currently enrolled in at least one AP course.
- 80% (20/25) of the students who counselors met with to discuss AP Potential and were not currently enrolled in an AP course chose to sign up for an AP course for the 16-17 year.
- 2.8% of students who participated in an AP Potential counselor meeting were English Learners, 9.7% were Low Income students; which is consistent with district-wide demographics (EL enrollment=3.8%, Socio-economically disadvantaged enrollment=

4.f. Chronic absenteeism rate remained relatively constant at 6.2% over the last two years for all students. Chronic absenteeism rate remained stable over the last two years for several significant subgroups as well; EL (9.8%), Socio-economically disadvantaged students (10.1%), Redesignated Fluent English Proficient (RFEP) (3.9%). Chronic absenteeism decreased 2.7% for special education students.

Implement and expand programs, activities, supports and courses that promote student wellness at each school site.	Cost will be minimal for sites, no district cost Foundation Funds	As a school district SDUHSD has been very proactive in creating a welcoming environment for students. This past year SDUHSD partnered with the Anti-Defamation League (ADL) to create a “No Place for Hate” learning environment at all sites. This included a kick off meeting in the fall hosted by ADL staff, school principals, students, and teachers. During the kick off meeting ADL staff reviewed a variety of ways that schools could promote No Place for Hate and each site identified at least three activities throughout the year that they would do to support student wellness in this area. Along with No Place for Hate strategies, most of our sites have also partnered with various organizations to support anti-bullying campaigns. Examples of this include partnerships with Rachel’s Challenge at some school sites, guest speakers brought in to support positive environments, as well as many other activities. All of our school sites have developed “Wellness Committees” to promote student wellness. Examples of wellness activities at our middle schools include:	No District Cost

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	1820013
---	---------

We currently enroll over 9% unduplicated students in our schools. SDUHSD LCFF supplemental fund allocation is budgeted districtwide for expenditures to increase student achievement in meeting California State Standards with a focus on supporting English Learners. LCFF supplemental funds are targeted to support personnel including School Social Workers, EL Support classes, EL Teacher Leads, AVID and College Readiness classes, AVID Tutors and mentors, Extended school day and school year opportunities for remediation in math, Read 180 and professional development in the areas of: English language development, California State Standards implementation, 21st Century Learning innovations and Next Generation Science Standards implementation. A portion of the funds are allocated to 10 school sites based on their unduplicated enrollment of English Learners, low income pupils, and foster and homeless youth to ensure that schools can make decisions to implement the necessary classes to meet the needs of the targeted subgroups. These funds can only be expended in the following areas:

1. Adding to existing counseling staffing to support unduplicated students.
2. Math and English support classes for students identified as performing below grade level.
3. College Readiness and AVID classes.

School staff and School Site Councils align their Single Plans for Student Achievement to support the goals and actions in the approved Local Control Accountability Plan. LCFF allocated funds will be effectively utilized to support the goals, actions and services described in the LCAP to support all students and targeted subgroups. LCFF Base funds support instructional Teachers on Special Assignment, instructional technology, Next Generation Science Standards implementation, tutors and tutoring programs, student connectedness programs as well as intensive language development programs for English Learners.

John Hattie, Visible Learning (2009), studied six areas that contribute to learning: the student, the home, the school, the curricula, the teacher, and teaching and learning approaches. Visible Learning research defines the core attributes/interventions of schooling that truly make a difference to student learning....the processing attributes that make learning “visible” to teacher, ensuring clear identification of the attributes, knowing the impact that they have on learning in the school for the student, the teacher and school leaders. The “visible” aspect also refers to making the teaching visible to the student, such that they become their own teachers, which is the core attribute of lifelong learning. For any particular attribute/intervention to be considered worthwhile, it needs to show improvement in student learning of at least an average gain----that is, an effect size of at least 0.40. Per Hattie’s research, the 0.40 is the hinge-point for identifying what is and what is not effective. Hattie calls this the “Zone of Desired Effects” – the influences that have the greatest impact on student achievement. Hattie developed a system of ranking various influences in different meta-analyses according to their effect sizes. He ranked those influences, from 1 being the highest influence to 150 being the lowest influence, which are related to learning outcomes from very positive effects to very negative effects on student achievement.

The LCAP was developed specifically utilizing research-based instructional strategies and high quality professional development, that rank above 0.40 per Hattie’s research, and programs including Multi-Tiered Systems of Intervention, extended day and extended year intervention programs, Math Support, Systematic English Language Development, Academic Vocabulary, Peer Tutoring, Teacher-Student relationships, Restorative Practices that are the most effective in order to prepare students to be successful and to be college and career ready.

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

San Dieguito Union High School District will offer a variety of programs and supports specifically for English learners, low income students and foster youth that all students will benefit from when teachers are trained in successful strategies. These include: ELD classrooms, ELD Professional Development specialists, EL leads at most sites, targeted instructional support materials in literacy and mathematics, partnerships with organizations to provide mentoring and tutoring for struggling students, after school tutoring and intervention programs, an expansion of the College Readiness program in both middle schools and high schools, courses in Read 180, System 44, Reading Enhancement and Academic Language Development, professional learning, counseling support, summer intervention programs, explore blended learning opportunities, allocate funds directly to school sites for targeted support of struggling learners, provide services and support to increase parent involvement and McKinney Vento programs to support homeless.

In addition to actions listed in 3A, we will also implement the following:

- • Continue to research and share best practices to inform professional learning to support accelerated language acquisition and academic achievement for English Learners, including long term English Learners.
- • Continue to identify students in need of extended learning time and enroll them in appropriate support classes and programs.
- • Development of CTE pathways aimed at all students including identifying processes to communicate the pathways to students and families.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

- (a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.
- (c) “High school dropout rate” shall be calculated as follows:
- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (d) “High school graduation rate” shall be calculated as follows:
- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (e) “Suspension rate” shall be calculated as follows:
- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (f) “Expulsion rate” shall be calculated as follows:
- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).

SUBJECT: REVIEW OF 2016-17 DISTRICT PROPOSED
BUDGET / GENERAL FUND & SPECIAL FUNDS

EXECUTIVE SUMMARY

The 2015-2016 Annual Budget is presented for review and discussion.

The budget was prepared using the Governor's May Revised State Budget, which was released Friday, May 13, 2016. The May Revise of the State Budget Proposal included slight increase in the phase-in funding of the Local Control Funding Formula (LCFF) target. The budget also includes a proposal of one-time discretionary funds to continue to "pay down debt" in the way of mandated cost claims. The budget continues the plan to fund the CalSTRS liability, which started in 2014-15. The increased contribution for school districts is an additional 1.85% of certificated salaries. This amount and the on-going increases in subsequent years are included in the budget and multi-year projections.

Due to the proposed level of LCFF funding, the District remains under LCFF funding. While the property tax revenue is projected to increase as assessed values continue to show improvement, the projected growth in LCFF funding is greater than projected property tax increases. According to current estimates, the district will remain LCFF funded for 2016-17 and the next 2 subsequent years. However, an increase to property tax growth, and/or a decrease in state LCFF funding, could project the district as Basic Aid in future years.

Assumptions made for the expenditure side of the budget include: Salary increase of 5.5% as approved in 2015-16 as part of the collective bargaining agreement, step and column changes for all employees; anticipated increase to health insurance premiums for all employees; decrease in worker's compensation rates, increase to CalSTRS and CalPERS rates, and an estimate for contributions to restricted programs.

ITEM 22

Staffing costs, salaries and benefits, make up about 86% of the total operating budget as proposed. As such, staffing allocations are under regular review. By nature, staffing changes occur on a daily basis. This budget reflects the most recent staffing, as known at the time of preparation.

Because the proposed state budget is currently being negotiated between the Governor, Assembly and Senate, details which would affect the District's 2016-17 budget are continually evolving. Staff will continue to monitor the information and make changes to the budget as necessary. As final details emerge with an anticipated on-time state budget, assumptions will be updated and reflected in the Fall Revision. This item will be resubmitted for adoption on June 30, 2016.

General Fund

Revenue

The Board will notice an increase in revenue from 2015-16 to 2016-17. The primary reasons for this are:

- Estimated increase in Property Tax of 5%, increase of state aid funding under the LCFF model
- Career Technical Education (CTE) Incentive Grant funding
- Removal of any one-time revenue, and other prior year carryover amounts
- Gifts & Donations in Local Income are booked as revenue is received
- Reduction in ROP revenue per SDCOE proposal

Encroachment

Encroachment into the unrestricted general fund shows an overall decrease for the following reasons:

- Decrease to special education contribution due to savings in contracted services including room and board, non-public schools, and mediation settlements. These savings are attributed to cost saving measures beginning in 2014-15 and incorporating ideas and suggestions from the Fiscal Crisis and Management Assistance Team (FCMAT) study in January 2015.
- Other increases due to contributions for step, column, and salary increases to all programs.

Expenditures

Expenditures are up overall, due to the approved salary schedule increase, annual step, column and longevity increases for salaries and benefits, these are partially offset by the removal of prior year carryover and local revenue amounts:

- Increase of FTE for teachers to accommodate flexible schedule options; FTE increase in counselors, psychologists, and social workers
- Increases in salaries and benefits for additional staffing of Pacific Trails Middle School
- Increases in benefits for proposed CalSTRS employer contribution rate increase, CalPERS rate increase, and estimated health insurance cost increases, corresponding benefits for salary and FTE increases, partially offset by additional savings from the flexible health spending accounts transitioned mid-year 2015-16
- Books and supplies savings derive from the removal of donation carryover until the amounts are determined at year end as well as savings in site and department budgets

- Services and operating expenses show an overall decrease for a savings in Special Education contracted services and the removal of carryover and prior year expenses, this is partially offset by utility rate increases
- Restricted programs with carry-over balances will have a commensurate increase in expenditures posted and included in the Fall Revision Budget Report

Fund Balance Reserves

As part of the public hearing on the 2016-17 proposed budget, the Board of Trustees must consider a statement on reasons for reserves which exceed the minimum required reserve of 3%. This statement is included in the back-up material to this agenda item.

Nonspendable Reserves

A combined \$181,000 is reserved to cover the Revolving Cash Fund account and the value of warehouse inventory.

Assigned Reserves

The ending balance includes the Board-required Basic Aid Reserve of \$5.6 million. While the District has transitioned to LCFF, it is likely that the District will grow back into Basic Aid in the foreseeable future. The Basic Aid Reserve is a backstop against a drop in funding which will be used to maintain levels of service in the event of state funding cuts. The Basic Aid Reserve also assists in cash flow management since over 90% of District funding derives from property taxes which are allocated in two major installments whereas expenses are fairly constant. By maintaining adequate cash reserves, temporary borrowing is reduced. While the funding method alternates between LCFF and Basic Aid in the next several years, the Basic Aid Reserve will provide stability.

Unassigned Reserves

The Board requires that a minimum reserve of at least 4.5% be maintained. The proposed budget includes the board reserve in the amount of \$6.2 million. The remaining reserve for economic uncertainties is \$3.4 million, or 3%, including the Special Reserve Fund. This unassigned reserve protects the district against unforeseen circumstances within a fiscal year.

The Proposed Budget meets and exceeds the 4.5% Board recommended reserve.

ITEM 22

Multi-Year Projection

This summary of the unrestricted portion of the Multi Year Projection (MYP) is included for your review and consideration.

Unrestricted Only	<u>2016-17</u>	<u>2017-18</u>	<u>2018-19</u>

Reserve @ 3%			
General Fund Only	Met	Met	Met
Gen Fund & SpecResv	Met	Met	Met

Assumptions include:

2016-17

- District remains LCFF funded
- Property tax growth, continuation of the Education Protection Act (EPA) funding from Prop 30 tax increases
- COLA's and deficits as projected by School Services of California
- 5.5% salary schedule increase as approved by collective bargaining agreement
- Step, column costs and benefits costs increased

2017-18 & 2018-19

- District continues as LCFF
- Property tax increases as California Consumer Price Index and Assessed Values increase
- Average Daily Attendance increases for enrollment growth
- COLA's and deficits as projected by School Services of California
- Site formula budgets to remain static from 2015-16 levels
- Retirement savings, partially offset by additional staffing for growth

With the above assumptions, the District projects that it will be able to meet its financial obligations for the next 3 years in the general and special reserve funds.

Staff expects the adjusted beginning balance to improve as the expenditures are finalized for 2015-16 and savings are realized with existing budgets. Cost-containment and efficiency will be a priority in order to maintain adequate reserves.

ITEM 22

Special Funds

The proposed budgets for all 2016-17 special funds of the district are presented to the Board for approval.

Special funds for the district are as follows:

Adult Education Fund	(11-00)

Supporting Documentation

Documents included for this agenda item include:

- Budget Spreadsheet for “General Fund Revenue & Expenditures – 2016-17 Proposed Budget”
- Multi-Year Projection for General Fund Revenue and Expenditures
- Special Funds – Overview; a brief description of each fund
- Special Funds – Balance Summary; summary spreadsheet for the proposed Special Funds Budget
- 2016-17 Capital/Deferred Maintenance Projects
- Printouts from the Standardized Account Code Structure (SACS) state software for 2015-16 and 2016-17

State requirements dictate certain documents be included as backup to the budget adoption agenda item. Included in this backup is a certification page which includes a summary of Criteria and Standards Review. Each standard is determined to be “Met” or “Not Met” or answered “Yes/No”. Where standards are not met, explanations are provided for the discrepancies. Most of the standards which have not been met are due to revenue & expense variances related to the removal of carryover and one-time revenue sources and with district-wide expenditure reductions. Printouts from the Standardized Account Code Structure (SACS) software are included, as required.

SPECIAL FUNDS - OVERVIEW

Information relative to special funds, other than the General Fund, gives a brief description of the activities of the fund.

Adult Education Fund, 11-00

The Adult Education Fund was used to account separately for federal and local revenues related to adult education programs. State aid was eliminated in 2009-10 as part of the Fair Share proposal which reduced categorical funding to Basic Aid districts. In 2013-14 the state provided funding to California Community Colleges for a two-year planning process to develop regional plans for adult education. In March 2015, the district entered into the Coastal North County Adult Education Consortium with Mira Costa Community College. The Adult Education Fund will be depleted in 2015-2016; the district will finalize and close the fund in the fall of 2016.

Cafeteria Fund, 13-00

School lunch nutrition standards have caused increased expenses and decreased revenue for the last few years. As a result, menus, staffing and productivity are constantly evaluated to ensure the district is providing wholesome, nutritious meals that are attractive to its customers and can be sold at a reasonable price. Nutrition Services continues to hone its marketing efforts and will further enhance technology to provide faster meal service. Managing the challenges of open campuses and single lunch periods continues.

Deferred Maintenance Fund, 14-00

Contributions to this program were eliminated in 2009-10 under the Fair Share proposal. With the 2013-14 implementation of the Local Control Funding Formula (LCFF), districts are no longer required to match state deferred maintenance funds. Since 2009-10, the district has included the costs of many necessary projects in the General Fund within the Routine Restricted Maintenance Program. The maintenance and repair of the new and remodeled Prop AA facilities continues to be a priority for the district. The deferred maintenance fund will be used until funds are depleted.

Pupil Transportation Equipment Fund, 15-00

This fund was created to separately account for income and expenses related to the acquisition of pupil transportation equipment.

Special Reserve Other Than Capital Outlay, 17-42

The purpose of this fund is to provide for the accumulation of General Fund resources for general operating purposes. Previous one-time mandate revenue was deposited to contribute to GASB 45 (OPEB) obligations. The balance has been used as part of the district's reserve for economic uncertainties.

ITEM 22

Building Fund, 21-09

This fund is used to account for income due from prior construction projects. This fund is used for various construction projects. The balance will diminish until funds are depleted.

Building Fund-Proposition 39, 21-39

In November 2012, voters of the San Dieguito Union High School District community passed Proposition AA, a proposition 39 general obligation bond measure to provide monies to finance the construction of school facilities. This fund was created to account for income from the sale of the bonds and is used for the various construction projects approved by Proposition AA.

Capital Facilities, 25-18

Used for developer fees generated by agreements before 1987, this is a dwindling resource fund. The use of these funds is restricted to the cost of construction/reconstruction of facilities as a result of student population growth.

Capital Facilities, 25-19

Used for "per square foot" developer fees that the state authorized beginning in January 1987 and before many of the currently established Mello-Roos districts were formed. The use of these funds is limited to capital expenditures related to enrollment growth.

County School Facilities Fund, 35-00

This fund is used exclusively to account for income from the state for construction and modernization of school facilities.

Special Reserve for Capital Projects, 40-00

This fund is used to account for donated funds associated with capital projects. This fund balance will decline until all funds are depleted, unless future donations are made for capital projects.

Self-Insurance Fund, 67-16

This fund is used as a trust account for amounts not spent on insurance premiums for certificated employees that declined health insurance. The balance in this fund grows until a distribution is agreed upon between the district and the San Dieguito Faculty Association.

Other Post Employment Benefits Fund, 67-17

This fund is used as an escrow account to fund the annual "pay-as-you-go" amount for Other Post Employment Benefits (OPEB). The General Fund makes contributions to this fund and then premiums are paid from this account. Assets do not count toward the unfunded OPEB liability as the funds are not held in a special trust. The negative ending fund balance reflects the accumulated unfunded liability for OPEB.

Deductible Insurance Loss Fund, 67-30

This fund is used for the purpose of claims, administrative costs, services, deductible insurance amounts, costs of excess insurance and other related costs.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

Explanation:
(required if NOT met)

The district anticipates a growth in enrollment/ADA which will increase LCFF funding beyond the standard increase.

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

TEMPORARY/SUBSTITUTE PERSONNEL

The Governing Board recognizes that substitute and temporary personnel perform an essential role in promoting student achievement and desires to employ highly qualified, appropriately credentialed employees to fill such positions.

HIRING

The Superintendent or designee shall recommend candidates for substitute or temporary positions for Board approval, and shall ensure that all substitute and temporary employees are assigned in accordance with law and the authorizations specified in their credential.

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The district shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee.

Permanent or probationary certificated employees who were laid off pursuant to Education Code 44955 and who have a preferred right of reappointment shall be given priority for substitute service in the order of their original employment.

CLASSIFICATION

At the time of initial employment and each July thereafter, the Board shall classify substitute and temporary employees as such.

The Board may classify as substitute personnel a teacher hired to fill the position of a regularly employed person who is absent from service.

To address the need for additional certificated employees when regular district employees are absent due to leaves or long-term illness, the Board may classify a teacher who is employed for at least one semester and up to one complete school year as a temporary employee. Any person whose service begins in the second semester and before March 15 may be classified as a temporary employee even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed, which shall not exceed the identified need based on the absence of regular employees.

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day to day during the first three months of any school term to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any school term

PERSONNEL

4121

2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any school term
3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the district
4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of district business during an emergency when persons are not immediately available for probationary classification
5. Serve only for the first semester because the district expects a reduction in student enrollment during the second semester due to mid-year graduations

For purposes of classifying employees pursuant to item #1 or #2 above, the school year shall not be divided into more than two school terms.

Any employee hired to provide services in a categorically funded program or project may be employed for a period less than a full school year. He/she may be classified as a temporary employee if the period of employment will end at the expiration of that program or project.

SALARY AND BENEFITS

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the district.

Temporary employees shall not participate in the health and welfare plans or other fringe benefits of the district.

PAID SICK LEAVE

Except for a retired annuitant who is not reinstated to the retirement system, any temporary or substitute employee who works for 30 or more days within a year of his/her employment shall be entitled to one hour of paid sick leave for every 30 hours worked. Accrued paid sick days shall carry over to the following year of employment, up to a maximum of 48 hours.

Any temporary or substitute employee may begin to use accrued paid sick days on the 90th day of his/her employment, after which he/she may use the sick days as they are accrued.

A temporary or substitute employee may use accrued sick leave for absences due to:

1. His/her own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care

PERSONNEL**4121**

2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking

No employee shall be denied the right to use accrued sick days and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249. The Superintendent or designee shall display a poster containing required information, provide notice to eligible employees of their sick leave rights, keep records of employees' use of sick leave for three years, and comply with other requirements specified in Labor Code 245-249 and in AR 4161.1/4361.1 - Personal Illness/Injury Leave.

RELEASE FROM EMPLOYMENT/DISMISSAL

The Board may dismiss a substitute employee at any time at its discretion.

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained during one school year. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year.

REEMPLOYMENT AS A PROBATIONARY EMPLOYEE

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary employee except for the fact that such employee is on leave.

With the exception of on-call, day-to-day substitutes, any temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served in a certificated position in the district for at least 75 percent of each of two consecutive school years shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs.

As part of our ongoing work to reorganize the Educational Services and Administrative Services division to manage the increased duties taken on by staff due to new state regulations, increased staffing and oversight, and increases in overall workloads it has been determined that two current District Administrator positions need to be adjusted to reflect this new work.

The current Coordinator of Technical Education, EL and Academic Intervention (BP #4160.29) will be updated to the Director of Accountability and Special Programs (BP #4160.40). - Oversight of district EL program including all required statewide testing, professional development and training

The current Coordinator of Student Services (BP #4160.18) position will be updated to a Director of School and Student Services (BP #4160.39) due to increased responsibilities. The change from Coordinator to Director will keep the work year at 220 days and increase the salary to be in alignment with the Director of Accountability and Career/Technical Education. Increased duties and responsibilities include, but are not limited to:

- Oversight of District Counseling Department including the additional School Social Worker position.

ITEM 24H-L
