December 13, 2017

Dear President Herman and Superintendent Dill:

I reside in the boundaries of the San Dieguito School district and have school aged children so I wanted to make sure I submitted my thoughts for your consideration before your final vote. I am not able to be at the Board meeting this Thursday night but urge the rejection of the following maps: "The Purple Map" because this has a -2.52 deviation from ideal, which exceeds the other maps proposed; "The Tan Map" - from an outsider's perspective, this map seems too politically driven because I understand that it is designed in a way that could get rid of certain trustees and could open the district to claims of gerrymandering.

Instead, I would urge the board to vote for the Cranberry 1 map.

Thank you for your consideration.

To: "cvra@sduhsd.net" <cvra@sduhsd.net>

Ladies and Gentlemen,

We are the developers and owners of “The Village at Pacific Highlands Ranch” shopping center located in the heart of our PHR community. We are very interested in the community’s continued growth, and we care what the people who live in the community think. We have heard from community leaders and members about the importance of PHR being kept together within one boundary area and we agree. We believe the “Cranberry 1 Map” accomplishes this and we urge the Board to adopt it. Should you have any questions, please do not hesitate to contact me.

Thank you for your consideration.

Ms. Herman,

On behalf of our client, Pardee Homes, please find the attached letter indicating their support for the Cranberry 1 map that the Board will be considering on Thursday, December 14th. As you may know, Pardee Homes is the master developer of the Pacific Highlands Ranch community and is supporting this map per the request of several of its residents. Should you have any questions, please feel free to contact me directly.

Thank you,

Elizabeth

Encinitas, CA 92024

Subject: CVRA Map

Dear Board President Herman:

Pardee Homes is the developer of the Pacific Highlands Ranch (PHR) master-planned community within the San Dieguito Union High School District's boundaries and has a vested interest in the community's future growth and development.

As schools play such a vital role within our communities, we believe it is important that PHR be kept together within one boundary area so that a neighborhood focus can be maintained. For these reasons, we recommend the Board of Trustees adopt the Cranberry 1 map as it keeps the PHR community entirely within District 5 while maintaining diverse, equally distributed districts throughout all of San Dieguito Union High School District's boundary area.

Thank you for your consideration and should you have any questions, please feel free to contact me at 858-794-2500.

Sincerely,

On Wed, Dec 6, 2017 at 9:24 AM, <CVRA@sduhsd.net> wrote:

Good afternoon, San Dieguito UHSD Community--

Thank you for your attention and interest as the San Dieguito Union High School District Board of Trustees has worked through the process to transition from "at-large" to "by-trustee area" elections. This will be our final message.

The District has conducted two community meetings and two public hearings regarding map options since the beginning of November. In addition to the six draft map options under consideration: Green, Orange, and Purple - released on November 6th, and Blue 1, Blue 2, and Tan - released on November 21st, based on additional public feedback, the District is now, also, considering the Cranberry 1 and Cranberry 2 maps. I have attached the two new map options to this message; they are also available to review [online](#) as both PDF files and using the [online interactive mapping tool](#).

The District has one final public hearing remaining regarding trustee area map option at its Board meeting on Thursday, December 14th at 6:30 p.m. Following the final public hearing on December 14th, the Board will make a decision on a map option at that meeting.

Your comments are appreciated and will help inform the Board of Trustees on community sentiment as they make this important decision. If you cannot attend a hearing or meeting and wish to review and/or comment regarding potential trustee areas as well as on the proposed "trustee area" maps, please do not hesitate to review the map options on the District website at cvra.sduhsd.net and submit your comments and feedback to cvra@sduhsd.net.

Thank you for your participation in this process.

Sincerely,

Eric Dill
Superintendent

Voting Maps

1 message

Lucile Lynch

Tue, Dec 12, 2017 at 6:03 PM

To: "amy.herman@sduhsd.net" <amy.herman@sduhsd.net>, "eric.dill@sduhsd.net" <eric.dill@sduhsd.net>

Hi there -

I am not sure I can be at the Thursday meeting but wanted to share my concerns/thoughts about the proposed voting maps:

Urge rejection of:

1. The Purple Map -

This map has a -2.52% deviation which is greater than most of the other maps.

Also, this map dilutes the Spanish-surnamed and Latino votes down to 4% where the other maps have a higher 5% voter turnout.

2. The Tan Map -

This map has at least one 2.00% deviation which is greater than the other maps, and a high overall deviation of 3.81%..

It also has a lower 4% Latino voter turnout.

3. Cranberry II Map -

This map has several deviations that exceed +/- 2.% and the largest % deviation of 5.62%.

Urge approval of:

1. Cranberry 1 Map

This map seems to have the lowest overall % deviation and has a 5% Latino turnout and a 14% turnout for Asian surname, which could give certain voting communities more voting strength.

Thank you for considering this request. I hope to be present Thursday but if not, please consider my input via email.

Many thanks,
Lucile Lynch

New Boundaries

1 message

Eric Schaller

Tue, Dec 12, 2017 at 8:15 AM

To: CVRA@sduhsd.net

I support adopting the "Tan" borders because it would result in eliminating current board members Muir and Salazar.

Having closely followed the SDUHSD board for well over 20 years, I can confidently say that Muir and Salazar have continually, and unnecessarily, been more disruptive and confrontational than any board member during that period.

The SDUHSD functions as a family that includes students, parents, teachers, administrators, board members, and community. Muir and Salazar are the black sheep of that family and desperately need to be disowned for the good of the district. Tan borders will fulfill that need.

Dill, Eric <eric.dill@sduhsd.net>

Good afternoon, San Dieguito UHSD Community--

Thank you for your attention and interest as the San Dieguito Union High School District Board of Trustees has worked through the process to transition from "at-large" to "by-trustee area" elections. This will be our final message.

The District has conducted two community meetings and two public hearings regarding map options since the beginning of November. In addition to the six draft map options under consideration: Green, Orange, and Purple - released on November 6th, and Blue 1, Blue 2, and Tan - released on November 21st, based on additional public feedback, the District is now, also, considering the Cranberry 1 and Cranberry 2 maps. I have attached the two new map options to this message; they are also available to review [online](#) as both PDF files and using the [online interactive mapping tool](#).

The District has one final public hearing remaining regarding trustee area map option at its Board meeting on Thursday, December 14th at 6:30 p.m. Following the final public hearing on December 14th, the Board will make a decision on a map option at that meeting.

Your comments are appreciated and will help inform the Board of Trustees on community sentiment as they make this important decision. If you cannot attend a hearing or meeting and wish to review and/or comment regarding potential trustee areas as well as on the proposed "trustee area" maps, please do not hesitate to review the map options on the District website at cvra.sduhsd.net and submit your comments and feedback to cvra@sduhsd.net.

Thank you for your participation in this process.

Sincerely,

Eric Dill
Superintendent
