School Description

San Dieguito High School Academy is a learning community which nurtures the individual, promotes academic rigor, provides varied opportunities for success, values excellence, and celebrates creative expression.

Principal's Message:

San Dieguito H.S. Academy (SDA) is a school of choice for students in the San Dieguito Union High School District. We offer our students a challenging and relevant curriculum that is delivered by a caring staff on a flexible (4x4) schedule, enhanced by adult-student connection opportunities through homeroom. Students have access to a variety of courses including Advanced Placement (AP), honors, CTE Pathways, and college prep, along with an assortment of electives. SDA received the California Distinguished School Award in the spring of 2010 and received a 6-year accreditation following our February 2019 visit from the Western Association of Schools and Colleges.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	78	71	80	80	50	50
Math	59	55	72	72	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
9	11.0	27.8	51.1

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

We work collaboratively with parents and encourage them to participate as active partners in their children's academic and extracurricular school experiences. Communication is disseminated to SDA's parent community in both English and Spanish. We have more than 650 parent volunteers, and more than a third of our students' families have joined our foundation. Parents are also highly involved in our Music Council, School Site Council (SSC), Athletic Council, Student Support Council, Theater Council, and Academic Council. We have over 25 parents who help with our Robotics Team. Our school Web site provides an abundance of information on how parents can be involved in their children's education, including many important resources that are translated into Spanish. Parents are invited to attend monthly open forums with the principal, entitled First Fridays. We inform parents via weekly emails, all-call alerts, weekly bulletin, Facebook, Twitter, and parent newsletter to keep them updated on school activities and opportunities for their involvement. During our 2018-19 WASC Self Study, parent participation was solicited for engagement in Focus Groups that met once per month, discussing a variety of topics.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The staff monitors parking lots, hallways, and the lunch area before and after school and during lunch and passing periods. All visitors must check in at the office with a valid I.D. using the Raptor System, and must wear a visitor's pass while on school grounds. Our campus supervisors monitor our campus, common areas, and parking lots throughout the day. We conduct monthly fire, lockdown, and earthquake drills, and we hold monthly safety meetings with parent, student, and staff representatives. In a working partnership with the sheriff's department, parents and students take part in a program entitled Start Smart, designed to educate new drivers. Our school safety plan is updated yearly and approved by the School Site Council.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Our teachers collaborate frequently in department, course-alike, and faculty meetings. We provide bimonthly late-start days throughout the school year, which provides the staff additional collaboration time and the opportunity to meet in Professional Learning Communities (PLC's). Our biweekly hour lunches are used for staff and department meetings. During these days, staff members have the opportunity to discuss instruction, assessments, curricular issues, and student support. In addition, each department meets quarterly for planning purposes.

SDUHSD provides opportunities for departments at all sites across the district to collaborate at a neutral site four times per year, to foster connectedness, align departmental visions for course essential learning outcomes, promote vertical alignment, and discuss best practices.

School Site/ State	-11.0	14.7

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

The local control funding formula (LCFF) was enacted in 2013–14, and it replaced the previous kindergarten through grade 12 (K–12) finance system which had been in place for roughly 40 years. For school districts, the LCFF establishes base, supplemental, and concentration grants in place of the many previously existing K–12 funding streams and most of the 50-plus state categorical programs that existed at the time. LCFF provides all districts with per-student base grant funding that varies slightly depending on grade level. Additionally, all districts receive per student supplemental grant funding which adds 20% to the base grant funding for each English-language learner, low-income student and foster youth student enrolled. Finally, districts in which English-learners, low-income students and foster youth exceed 55% of the total enrollment receive additional concentration grant funding equal to 50% of the base grant funding. San Dieguito Union High School District (SDUHSD) is not eligible for concentration funding because its enrollment does not exceed the 55% threshold. By law, supplemental and concentration grant funds must be used to increase and improve programs and services for English-learners, low-income students and foster youth.

SDUHSD schools offer a broad course of study which includes; intervention courses, Advanced Placement (AP) and Honors courses, specialized programs for students who qualify for Special Education, Integrated and Designated English Language Development Programs for English Learners as well as CTE courses and pathways.

Additionally, SDUHSD schools offer services and supports for all students including; School Social Workers, READI program, School Counselors, School Psychologists, EL Lead Teachers, and Special Education Service Providers.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Measure	CTE Program Participation
Number of pupils participating in CTE	1217
% of pupils completing a CTE program and earning a high school diploma	25%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	12%

Career Technical Education Programs

Career Technical Education (CTE) in the SDUHSD is a program of study involving a sequence of courses within an industry pathway that integrates core academic knowledge with technical skills. The career pathways are organized within 15 state-defined industry sectors, which have been identified as critical for the fiscal stability and prosperity of the State of California. Students complete a career pathway by taking and passing courses in a single, defined pathway. All CTE pathway courses include student work based learning opportunities. SDUHSD CTE courses fulfill the “a–g” subject-area requirements of the University of California and the California State University and may lead to community college credit, an industry-recognized credential, a certificate, or a degree at the postsecondary level.

Canyon Crest Academy offers 6 CTE pathway courses in the following industry sectors: Business Management, Design Visual & Media Arts, Engineering Technology, Film Video Production, Graphic Design, Performing Arts, and Software / Systems Development.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
