Business and Noninstructional Operations

The Governing Board recognizes its fiscal responsibility to maximize the use of district equipment, supplies, instructional materials, and other personal property while providing up-to-date resources that facilitate student learning and effective district operations. When the Board, upon recommendation of the Superintendent or designee, declares any district-owned personal property unusable, obsolete, or no longer needed, the Board shall determine the estimated value of the property and shall decide whether the property will be donated, sold, or otherwise disposed of as prescribed by law and San Dieguito Union High School District.

The Board shall approve the price and terms of any sale or lease of personal property of the district.

If the Board members who are in attendance at a meeting unanimously agree that the property, whether one or more items, does not exceed \$2,500 in value, the property may be sold without advertising for bids.

If the Board members who are in attendance at a meeting unanimously find that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Board or may be disposed of in the local public dump.

The Superintendent or designee shall establish procedures to be used whenever the district sells equipment or supplies originally acquired under a federal grant or subgrant. Such procedures shall be designed to ensure the highest possible return.
