

San Dieguito Union High School District

Universal Precautions

BP 4119.43 4219.43 4319.43

Personnel

In order to protect employees from contact with potentially infectious blood or other body fluids, the Governing Board requires that universal precautions be observed throughout the district.

Universal precautions are appropriate for preventing the spread of all infectious diseases and shall be used regardless of whether blood-borne pathogens are known to be present.

Employees shall immediately report any exposure incident or first aid incident in accordance with the district's exposure control plan or other safety procedures.
