Bargaining Units

BP 4140 4240 4340

Personnel

The Governing Board recognizes the right of district employees to form a bargaining unit, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it.

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit.

The district may recognize a bargaining unit of supervisory employees if:

1. The bargaining unit includes all supervisory employees
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

For this purpose, supervisory employee means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment.

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. Such employees may represent themselves individually or may be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. When represented by an employee organization, that organization shall not meet and negotiate with the district. For this purpose:

1. Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board
2. Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions.

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or non-membership in an employee organization.

Access to Employee Orientations and Contact Information

The district shall permit employee organizations access to new employee orientations where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation. However, in any specific instance where an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice, a shorter notice may be provided.

The structure, time, and manner of the access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative, following a request to negotiate by either party. If the district and exclusive representative fail to reach an agreement, matters related to the access to new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties.

The date, time, and place of the orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation.

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire. In addition, the Superintendent or designee shall provide the same information in regard to all employees in the bargaining unit to an exclusive representative at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative.

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor shall he/she

disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or any employee who provides written request that the information not be disclosed for this purpose. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee.

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization.

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization.

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions.

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization.
