BP 4020

Personnel

The Governing Board believes that the maintenance of a drug- and alcohol-free workplace is essential to staff and student safety and to help ensure a productive and safe work and learning environment.

An employee shall not unlawfully manufacture, distribute, dispense, possess, or use any controlled substance in the workplace.

Employees are prohibited from being under the influence of controlled substances or alcohol while on duty. For purposes of this policy, on duty means while an employee is on duty during both instructional and non-instructional time in the classroom or workplace, at extracurricular or co-curricular activities, or while transporting students or otherwise supervising them. The Superintendent or designee shall notify employees of the district's prohibition against drug use and the actions that will be taken for violation of such prohibition.

An employee shall abide by the terms of this policy and shall notify the district, within five days, of his/her conviction for violation in the workplace of any criminal drug statute.

The Superintendent or designee shall notify the appropriate federal granting or contracting agency within 10 days after receiving notification, from an employee or otherwise, of any conviction for a violation occurring in the workplace.

In accordance with law and the district's collective bargaining agreements, the Superintendent or designee shall take appropriate disciplinary action, up to and including termination, against an employee for violating the terms of this policy and/or shall require the employee to satisfactorily participate in and complete a drug assistance or rehabilitation program approved by a federal, state, or local public health or law enforcement agency or other appropriate agency.
