## CalSTRS403bComply.com Walkthrough

The objective of this piece is to help you navigate CalSTRS403bComply.com and perform necessary tasks in a quick and simple manner. Whether you're a new participant, not having contributed to a 403(b) before or not having been contributing to a 403(b) plan with your current district since before January 1, 2009, or a current participant, whether you've been to the website before or not, you'll find instructions on how to easily navigate the website. There are also instructions regarding how to stop contributions, if you feel like doing so, as well as how to check your payroll deductions.

If this walkthrough doesn't answer all of your questions regarding how to navigate CalSTRS403bComply.com, please call us at (888) 892-7494 or e-mail us at [403b@CalSTRS403bComply.com](mailto:403b@CalSTRS403bComply.com).

## NEW PARTICIPANTS

If you are not currently contributing to a 403(b) plan or have not contributed since CalSTRS 403bComply became your plan's administrator (see the list attached), you are considered a "new participant."

Go to: [www.CalSTRS403bComply.com](http://www.CalSTRS403bComply.com). It looks like this:

Click on the "Plan Descriptions" button and find your district from the list.

Click on your district's name and it will take you to a description of that district's plan. Here's an example:

The screenshot shows a Mozilla Firefox browser window displaying a PDF document. The document is titled "Allensworth ESD Summary Plan Description" and is from CalSTRS 403bComply. The document contains the following information:

Plan Type	Plan Administrator	Excluded Employees
Internal Revenue Code Section 403(b)	CalSTRS 403bComply	None
Plan Password for Enrolling Online	Written Plan Effective Date	Plan Year End
allen403	1/1/2009	12/31
Contribution Tax Treatment	Contribution Sources	Roth 403(b)
Pre-Tax	Employee	Not Available
Contribution Limit	Catch-Up Contribution Limit	Automatic Enrollment

Find the password you'll need for your district under the "Plan Password for Enrolling Online" section (the example for Allensworth ESD is "allen403"), and write it down.

Go back to the homepage ([www.CalSTRS403bComply.com](http://www.CalSTRS403bComply.com)) and click on "Login."

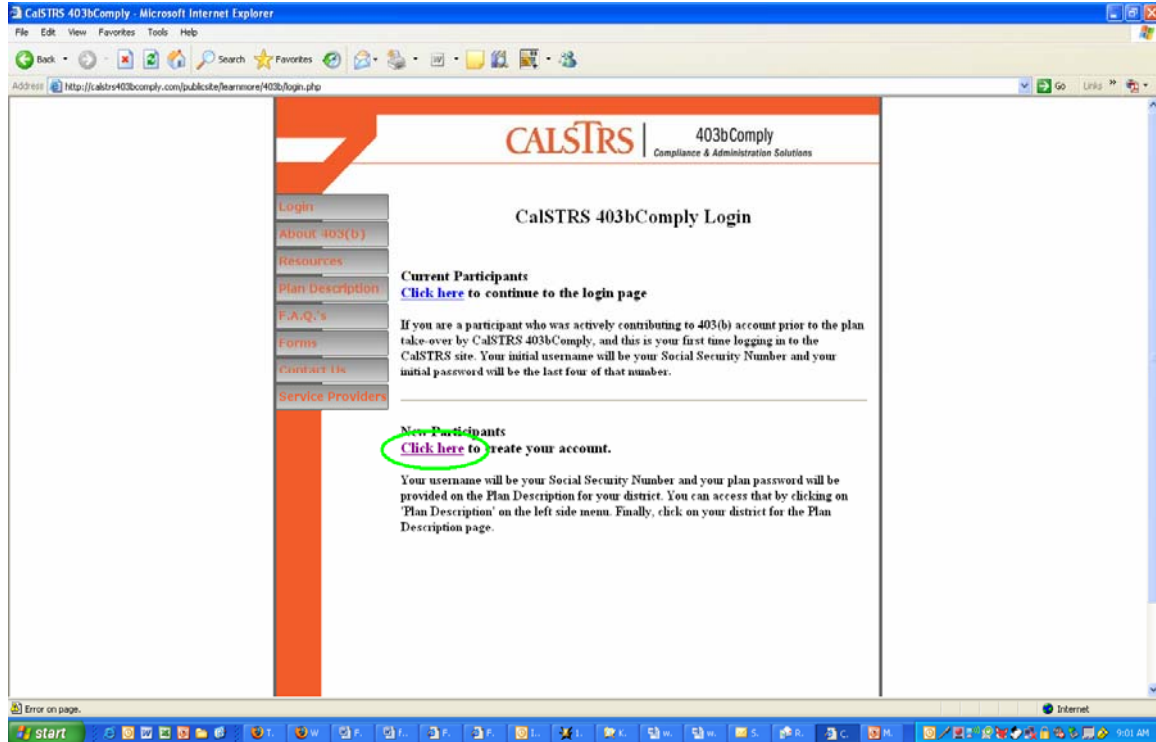

The screenshot shows the homepage of CalSTRS 403bComply in Microsoft Internet Explorer. The page features a navigation menu on the left with the following buttons: "Learn More", "Login" (circled in green), "Forms", "Plan Descriptions", and "403(b) Vendors". In the center is a photograph of a smiling man in a blue shirt. To the right of the photo is an "IMPORTANT NOTICE" section with the following text:

**IMPORTANT NOTICE**

*Beginning in January 2009 all 403(b) plan distributions, transfers, rollovers, exchanges and loans must be approved by CalSTRS 403bComply. Vendors will stop processing these requests after January 1, 2009 without the approval of your employer or the third party administrator (CalSTRS 403bComply) for the 403(b) plan.*

To request a distribution, transfer, rollover, exchange or loan, login to your account on this website. Select the "Transactions" tab on the website, click on the type of transaction you are requesting, then follow the instructions on the screen.

Then, click on the “New Participants” link.

It will take you to a login page, asking for your “SSN” and “Password.” Input your nine-digit Social Security Number in the “SSN” field. Remember the “Plan password for enrolling online” you wrote down from the Plan Document for your district (our example was “allen403”)? Input that password in the “Password” field.

Click “Begin.”

You’ll then be taken to a page where you’ll need to input personal information, like name and address. It will look like this:

https://www.yourplanaccess.com/theretirementsolution/genrolledperson.aspx?REVIEW=true - Microsoft Internet Explorer

Address: https://www.yourplanaccess.com/theretirementsolution/genrolledperson.aspx?REVIEW=true

Now click the “Click here” link to continue and access your account.

This will take you to your “Participant Summary” page. It looks like this:

The screenshot displays the 'Participant Summary' page in Microsoft Internet Explorer. The browser's address bar shows the URL: <https://www.yourplanaccess.com/theretirementsolution/summary.aspx?RANDOPN&P=09030519193148348641208LNR=25>. The page features a navigation menu with 'Summary', 'Investments', 'Transactions', 'Tools', and 'Personal Profile'. The 'Personal Info' section for 'Test Participant#00' includes fields for Birth date, Hire date, Entry date, and Marital status. An 'At-a-Glance' box shows 'Account balance: \$0.00' and 'Vested balance: \$0.00'. Below are sections for 'New Participants' and 'Current Participants' with numbered steps and links for enrollment, contribution amount, investment providers, and product registration.

Under the “New Participants” section on the left side, Step 1 is to “Contact an approved Investment Provider and set up an account.” If you have not set up a 403(b) account with an approved Investment Provider, proceed no further. Go to the homepage ([www.CalSTRS403bComply.com](http://www.CalSTRS403bComply.com)) and click the “403(b) Vendors” button. You may set up a 403(b) account with any of the vendors on this list. Once done, you may continue to Step 2.

Step 2 is where you determine your per-paycheck contribution amount.

Click the “Click here” link under Step 2 and it will take you to this page:

**Contributions**

Please note that this screen will not indicate your contribution amount. It will show a zero by default.

Any changes submitted will be reflected on your current election report by 10:00 AM the following business day.

If you elect a contribution amount but do not make an Investment Election, your deduction will not be invested; it will go to suspense and be refunded.

[Click here to view your current elections report](#)

[Click here for a deferral calculator](#)

**Change Contribution Amounts**

Please enter a contribution percentage or dollar amount that your employer will deduct from your compensation each payroll period for deposit to your account.

Rules and Criteria

Change	Contribution Type	Current Contribution	New Contribution	Percent Dollar
<input type="checkbox"/>	Pre-Tax Deferral	Not contributing	0.00 per pay period	Dollar

If you will participate in the 401(k) or 403(b) plan of another employer during this calendar year, how much will you contribute to the other plan this year?

Amount contributed: (calendar year) 0.00

Since you are changing your contribution amount from nothing to something for the first time, be sure to check the “Change” box.

Now, determine how much money you would like to contribute per paycheck and enter it in the “per pay period” field, under “New Contribution.” If you’d like to contribute \$100 per paycheck, enter “100.00” in the field. If you’d like to contribute \$156.21 per paycheck, enter “156.21” in the field.

If you are contributing to a 401(k) plan or 403(b) plan with another employer, input how much money you contribute to both of those plans, per calendar year, in the “Amount contributed: (calendar year)” field. If not, leave it at the default of “0.00.”

When you are comfortable with your contribution amount, hit the “Submit” button.

It will take you to a review page to make sure you’ve contributed the correct amount. If so, hit the “Continue” button.

You’ll then be taken to a “Contribution Rate Change” page, confirming you’ve changed your contribution rate. It will give you a confirmation number, which you may reference in the future, ensuring you’ve changed your contribution amount. There are still two more steps to go, so hit “Click here” to return to the Summary Page.

Step 3 is where you direct your contributions to the Investment Provider with whom you have a 403(b) account.

Click the “Click here” link under Step 3 to go to the Investment Providers page.

If you scroll down just slightly on that page, it will look like this:

**Investment Elections**  
All Sources

You must elect a percent of your payroll deduction to go to an annuity and/or investment vendor in the Plan ("vendor election"), even if 100% goes to one vendor. After you input this percentage, the system will also ask you to fill in a percentage of each vendor election to go to each contract with that vendor. However, we currently do not have the information from the vendors to allow you to elect a percentage to go to different contracts with a vendor. Thus, you should fill in "100%" beside the word "Contract" under each vendor. You must contact the vendor directly to elect how much of your money going to that vendor should go to a particular contract or investment option with the vendor. For more information, please contact us.

To achieve this, do the following:

- Click on "Add Contract" next to the Investment Provider where you would like money to go
- The "leave this field as marked" field will already be populated with the word "New". You may leave this as it is.
- Enter "100" in the "Contract Account %" field

Again, this will not affect the elections you have made directly with your investment provider.

**Please note that this screen will not indicate your current allocation amounts. It will show zeros by default.**

**In order to contribute to your 403(b) plan you must have both a valid Investment Election and a current contribution amount (deduction from payroll).**

**Any changes submitted will be reflected on your current election report by 10:00 AM the following business day.**

If you need to view your current elections, you can [click here](#).

**CAUTION: Any change you make to your Investment Elections will be effective immediately.**

Investment election rules:

Minimum allocation percent:	0.00%
Minimum allocation increment percent:	0.01%

**Investment Elections**

Investment Provider	New %	(leave this field as marked)	Contract Account %	Action
403b ASP	0.00			Add Contract
AIG Annuity Insurance Company	0.00			Add Contract

Find the Investment Provider with whom you've set up your 403(b) account. For this example, we'll use 403(b) ASP.

Under "New %," in the same line of your Investment Provider, enter "100.00." This means 100% of your per-paycheck contributions are going to that Investment Provider.

Then, click on the "Add Contract" link in the same line, under the "Action" column. The line will expand to look like this:

**CAUTION: Any change you make to your Investment Elections will be effective immediately.**

Investment election rules:

Minimum allocation percent:	0.00%
Minimum allocation increment percent:	0.01%

**Investment Elections**

Investment Provider	New %	(leave this field as marked)	Contract Account %	Action
403b ASP	100.00			Add Contract
		New	0.00	Remove
403b ASP Total			0.00%	
AIG Annuity Insurance Company	0.00			Add Contract
American Century Investments	0.00			Add Contract
American Fidelity Assurance Co.	0.00			Add Contract
American United Life	0.00			Add Contract
Americo Financial Life and Annuity Insurance	0.00			Add Contract

In the new field created under the “Contract/Account %” column, enter “100.00.” This means you’re only contributing to one contract for the particular Investment Provider.

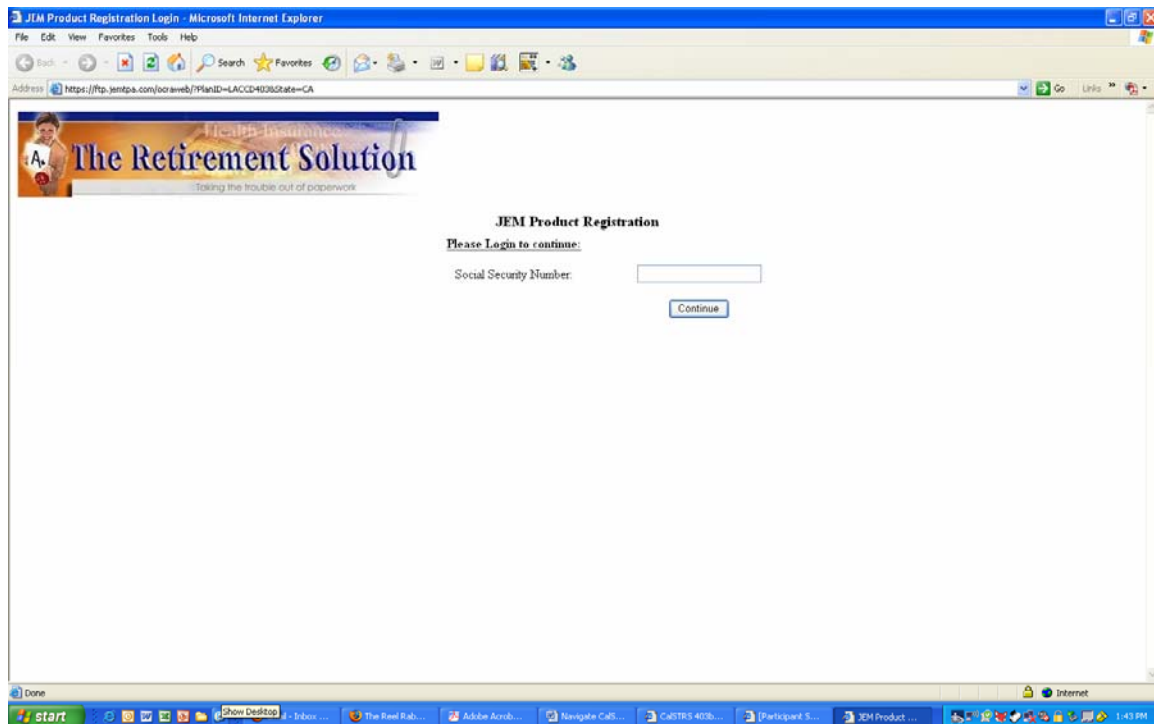

Once you’ve entered your two “100.00’s” in the appropriate fields, scroll to the bottom of the page and hit the “Submit” button.

It will then take you to a review page to make sure you’re contributing to the right Investment Provider. If everything is correct, hit the “Continue” button.

You’ll then be taken to an “Election Change All Sources” page, confirming you’ve changed your Investment Provider. It will give you a confirmation number, which you may reference in the future, ensuring you’ve changed your Investment Provider. There is only one more step to go, so hit “Click here” to return to the Summary Page.

Step 4 is the final step and ensures you’re using an approved Investment Provider.

Click the “Click here” link under Step 4 on the Summary Page, and it will open a new window for you.

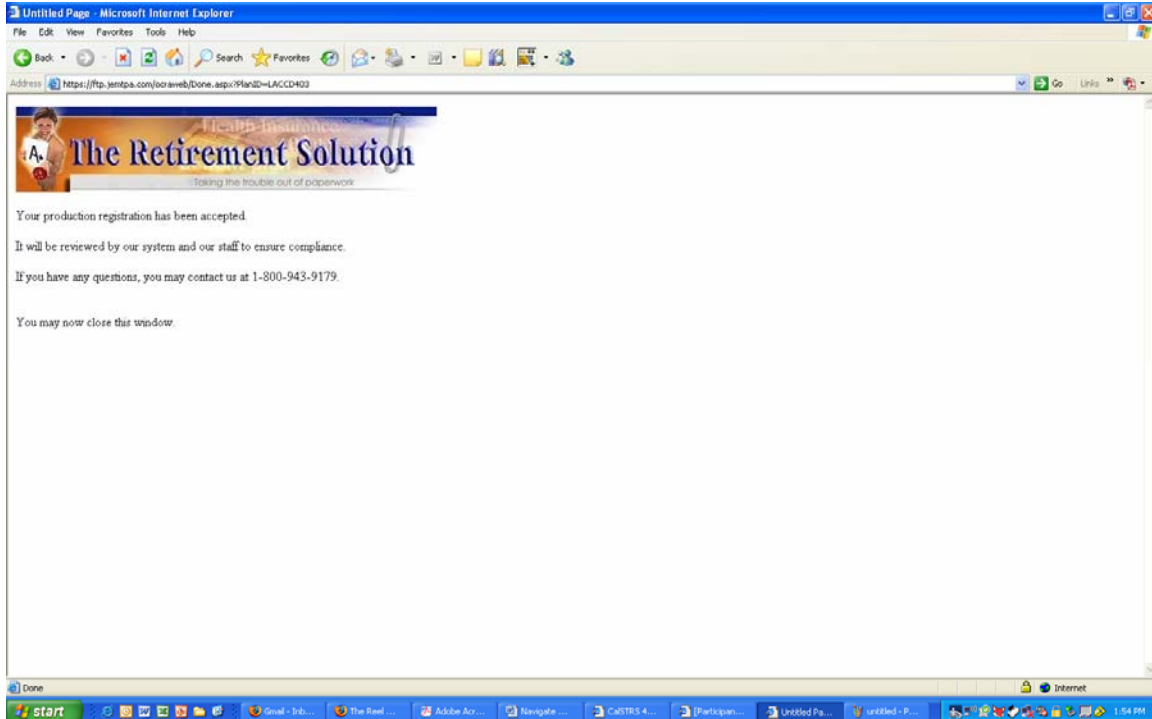

Input your Social Security Number in the appropriate field and hit the “Continue” button.

Click on the “Change Registration” button. Then, click on “Add Product.”

Select the Investment Provider you’ve opened a 403(b) account with from the dropdown list. Then, select the Investment Product you’ve chosen with that particular vendor.

Hit the “Submit” button. Then, hit “Done.” You should then see this screen before you:

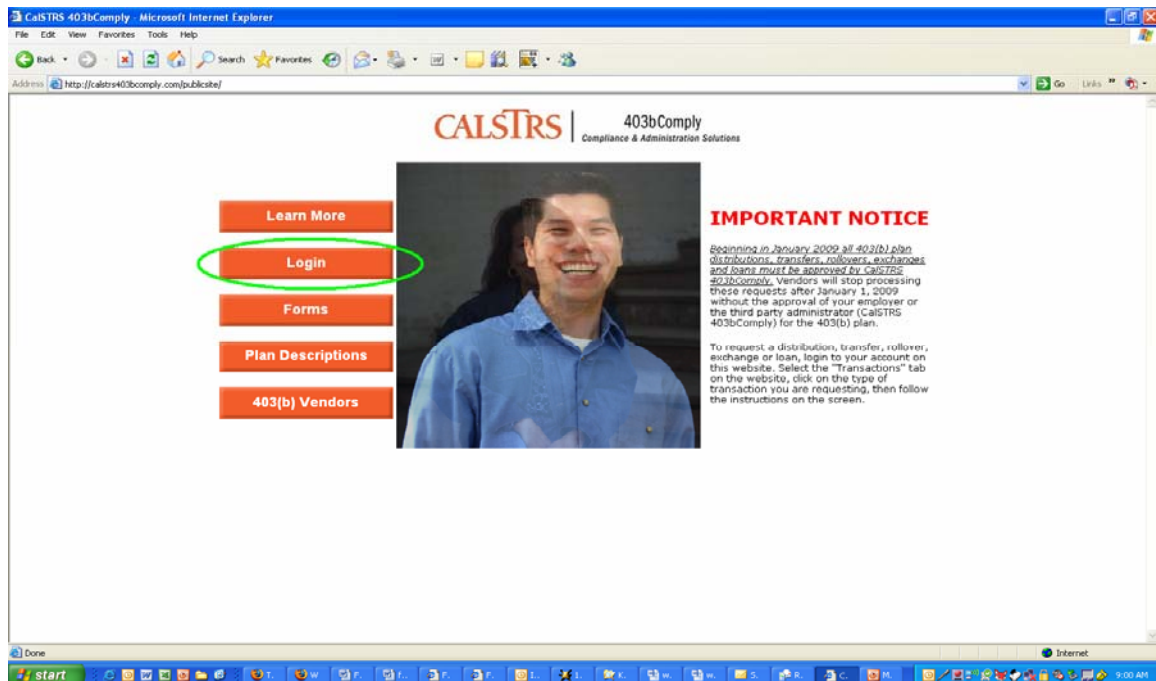

Congratulations. You’ve completed all four steps required to set up contributions to your 403(b) account. From now on, you will follow the steps in the “Current Participants” section of this tutorial to make any changes to your 403(b) contributions.

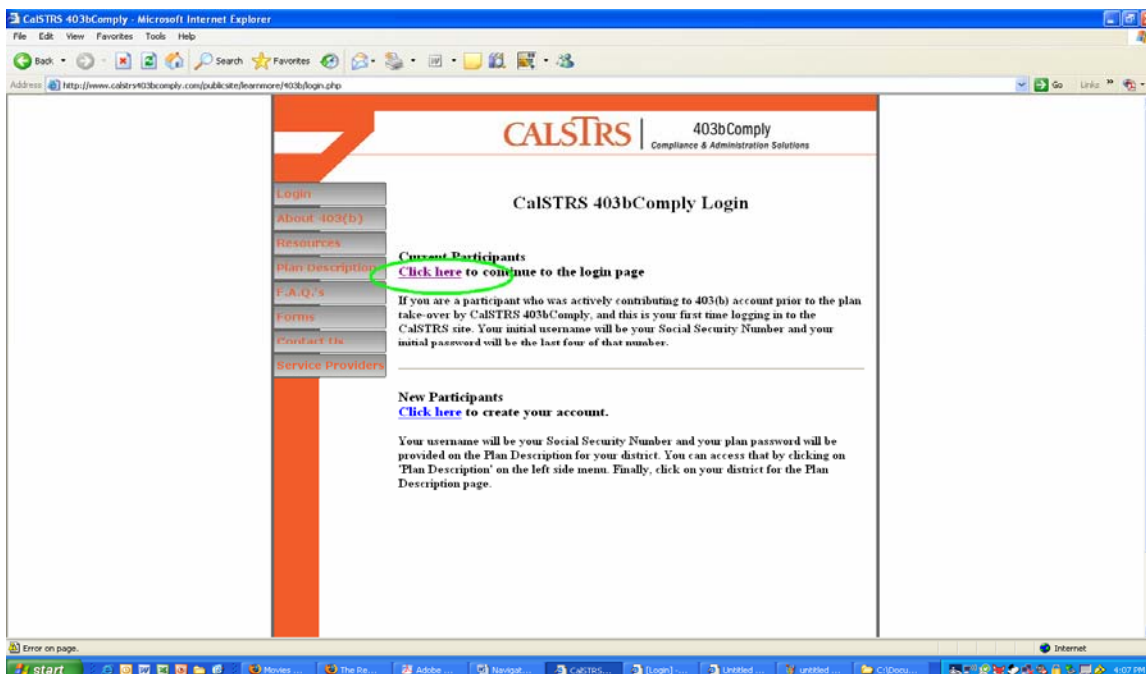

## CURRENT PARTICIPANTS

If you are currently contributing to the 403(b) plan through your district or you have ever contributed to the 403(b) plan since CalSTRS 403bComply took over administration of the plan (see list attached), even if you haven't been to the website before, you are considered a "current participant."

Go to [www.CalSTRS403bComply.com](http://www.CalSTRS403bComply.com) and click on "Login."

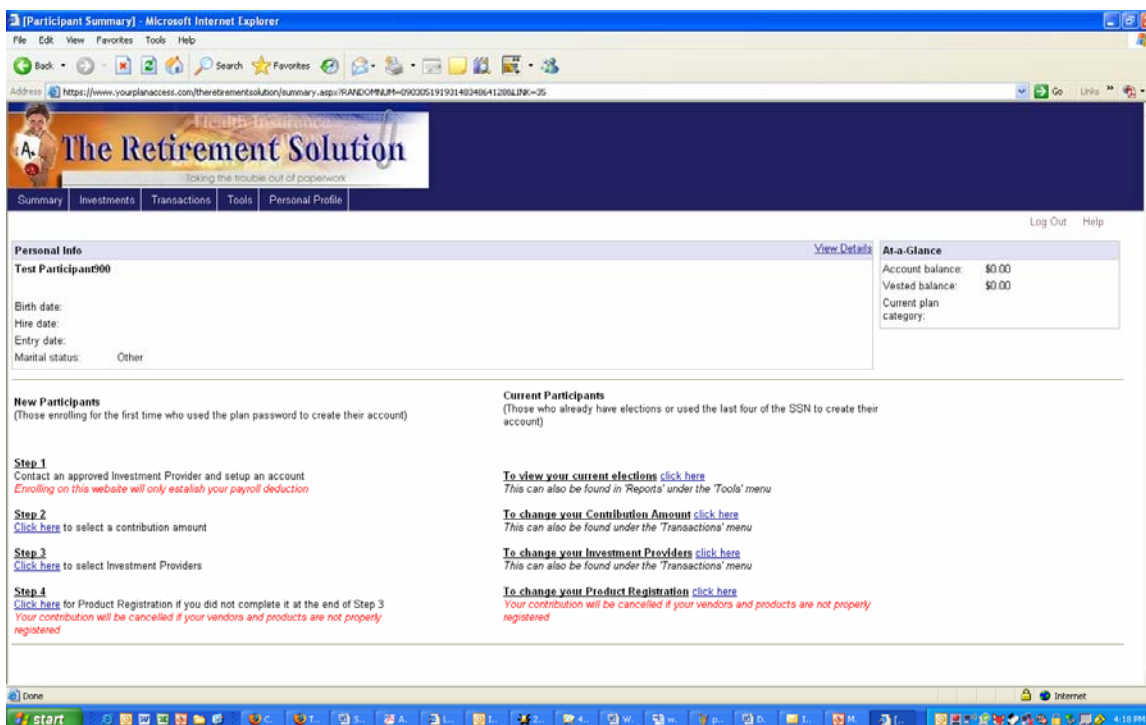

Then, click on the "Current Participants" link:

It will take you to a login page, asking for your “SSN” and “Password.” Input your nine-digit Social Security Number in the “SSN” field. Input the last four digits of your Social Security Number in the “Password” field.

Click “Begin.”

This will take you to your “Participant Summary” page. It looks like this:

Under the “Current Participants” section on the right side, you must choose what action you want to take. If you’d like to increase or decrease your contribution amount per paycheck, click on the “click here” link next to “To change your Contribution Amount.”

It will take you to this page:

The screenshot shows a web browser window displaying the 'The Retirement Solution' website. The page title is 'Contributions'. The main content area is titled 'Change Contribution Amounts'. It contains the following text and form elements:

Please enter a contribution percentage or dollar amount that your employer will deduct from your compensation each payroll period for deposit to your account.

Rules and Criteria

Change	Contribution Type	Current Contribution	New Contribution	Percent Dollar
<input type="checkbox"/>	Pre-Tax Deferral	Not contributing	0.00 per pay period	Dollar

If you will participate in the 401(k) or 403(b) plan of another employer during this calendar year, how much will you contribute to the other plan this year?

Amount contributed: (calendar year) 0.00

Buttons: Reset, Submit

You’ll notice the red text states even if you’re contributing \$1000 per paycheck, the default number will show 0.00.

Since you are changing your contribution amount, be sure to check the “Change” box.

Now, determine how much money you would like to contribute per paycheck and enter it in the “per pay period” field, under “New Contribution.” If you’d like to contribute \$100 per paycheck, enter “100.00” in the field. If you’d like to contribute \$156.21 per paycheck, enter “156.21” in the field. This will not add or subtract from your current contribution amount. The new number will become your contribution amount.

If you are contributing to a 401(k) plan or 403(b) plan with another employer, input how much money you contribute to both of those plans, per calendar year, in the “Amount contributed: (calendar year)” field. If not, leave it at the default of “0.00.”

When you are comfortable with your contribution amount, hit the “Submit” button.

This will take you to a review page to make sure you’ve contributed the correct amount. If so, hit the “Continue” button.

You'll then be taken to a "Contribution Rate Change" page, confirming you've changed your contribution rate. It will give you a confirmation number, which you may reference in the future, ensuring you've changed your contribution amount.

If you would like to do anything else regarding your contributions, hit "Click here" to return to the Summary Page. If you are through making changes, you may "Log Out."

Back at the Summary Page, if you'd like to change the Investment Provider you are contributing to, click the "click here" link next to "To change your Investment Providers."

If you scroll down just slightly on that page, it will look like this:

AIG Annuity Insurance Company	0.00			Add Contract

You'll notice the red text states you will see "0.00" in all fields, by default, even if you're currently contributing to an approved Investment Provider.

Find the new Investment Provider with whom you've set up a 403(b) account. For this example, we'll use 403(b) ASP.

Under "New %," in the same line of your Investment Provider, enter "100.00." This means 100% of your per-paycheck contributions are going to that Investment Provider.

Then, click on the "Add Contract" link in the same line, under the "Action" column. The line will expand to look like this:

**CAUTION: Any change you make to your Investment Elections will be effective immediately.**

In the new field created under the “Contract/Account %” column, enter “100.00.” This means you’re only contributing to one contract for the particular Investment Provider.

Please note this will not add another vendor for your contributions to go to, it will rather replace your former vendor and become the new vendor.

Once you’ve entered your two “100.00’s” in the appropriate fields, scroll to the bottom of the page and hit the “Submit” button.

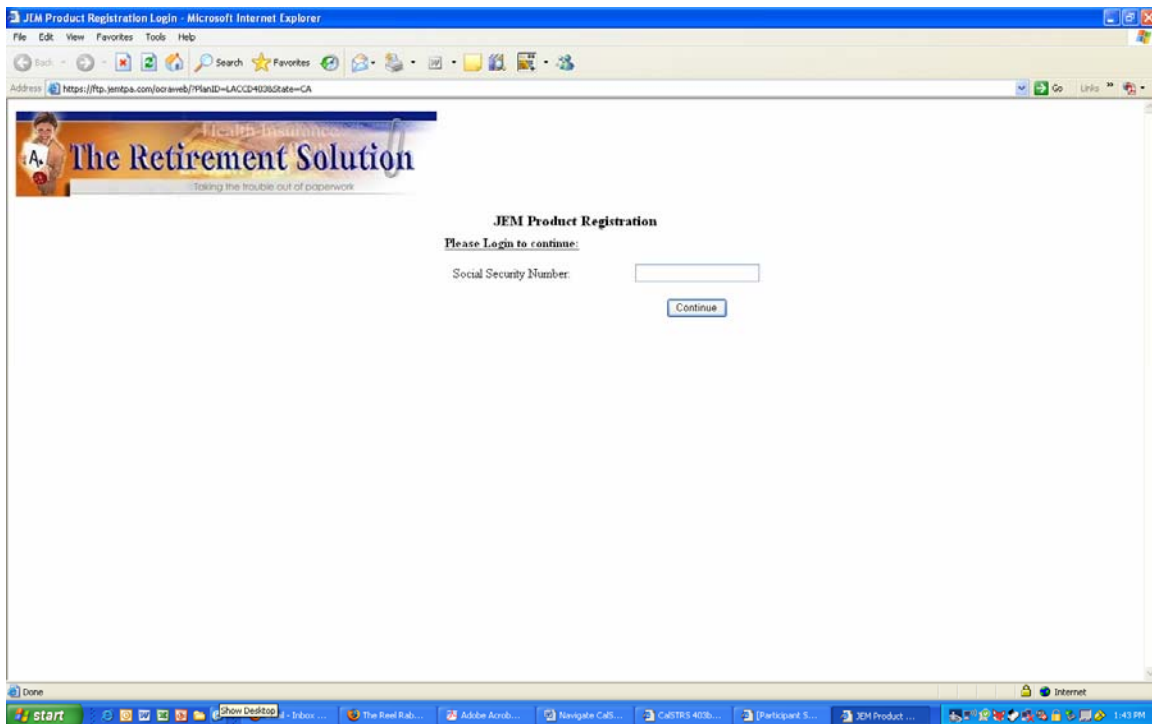

It will then take you to a review page to make sure you’re contributing to the right Investment Provider. If everything is correct, hit the “Continue” button.

You’ll then be taken to an “Election Change All Sources” page, confirming you’ve changed your Investment Provider. It will give you a confirmation number, which you may reference in the future, ensuring you’ve changed your Investment Provider.

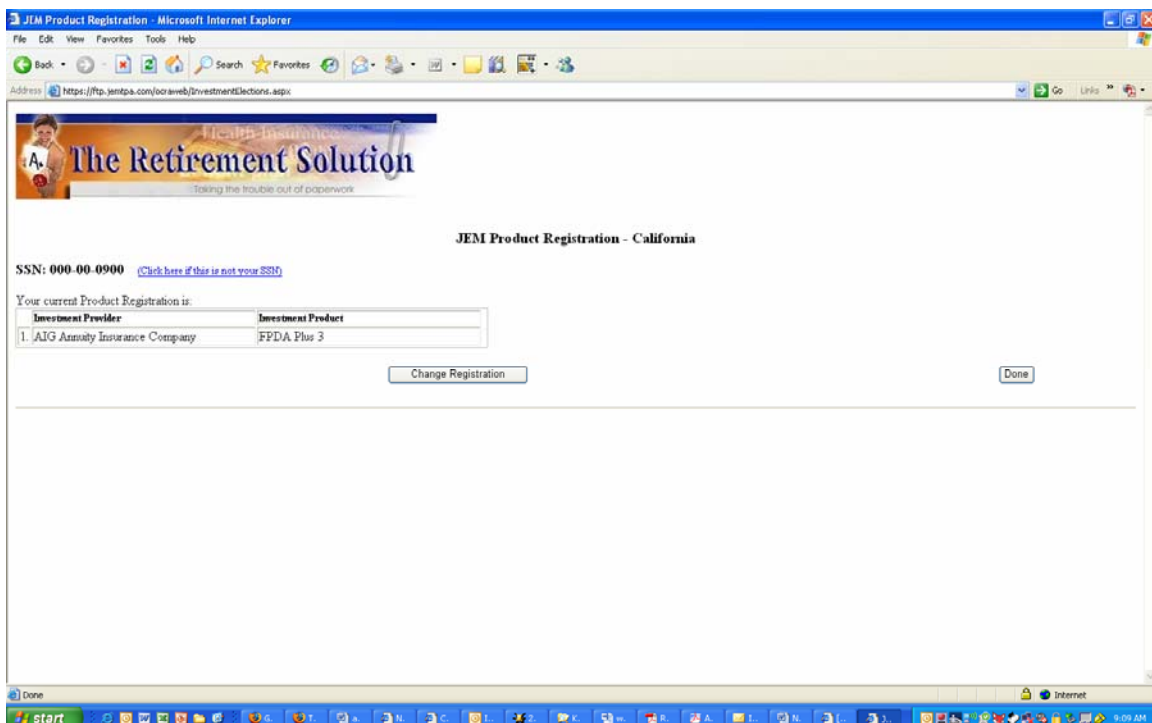

There is one more thing you must do after changing your approved Investment Provider, so hit “Click here” to return to the Summary Page.

You must “change your Product Registration,” so hit the “click here” link next to that phrase, and it will open a new window for you.

Input your Social Security Number in the appropriate field and hit the “Continue” button.

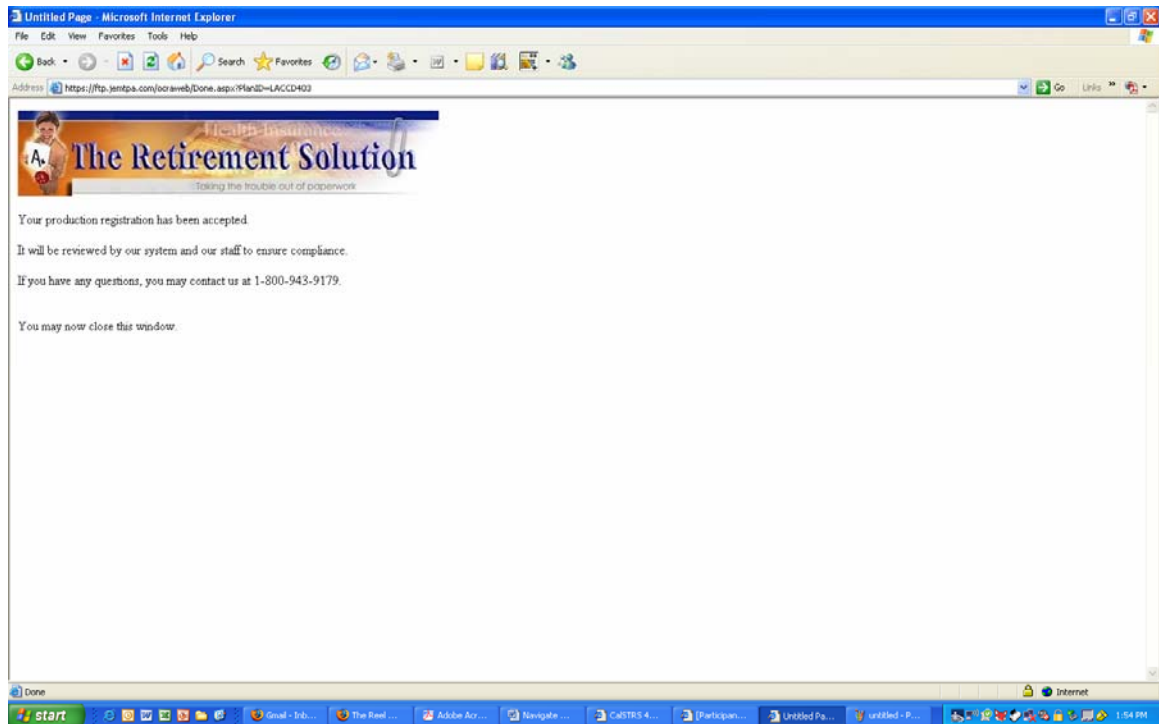

Click on the “Change Registration” button. Then, click on “Add Product.”

Select the Investment Provider you've opened a 403(b) account with from the dropdown list. Then, select the Investment Product you've chosen with that particular vendor.

If you have already done Product Registration, you may hit the "Remove" button next to your former Investment Provider.

Hit the "Submit" button. Then, hit "Done." You should then see this screen before you:

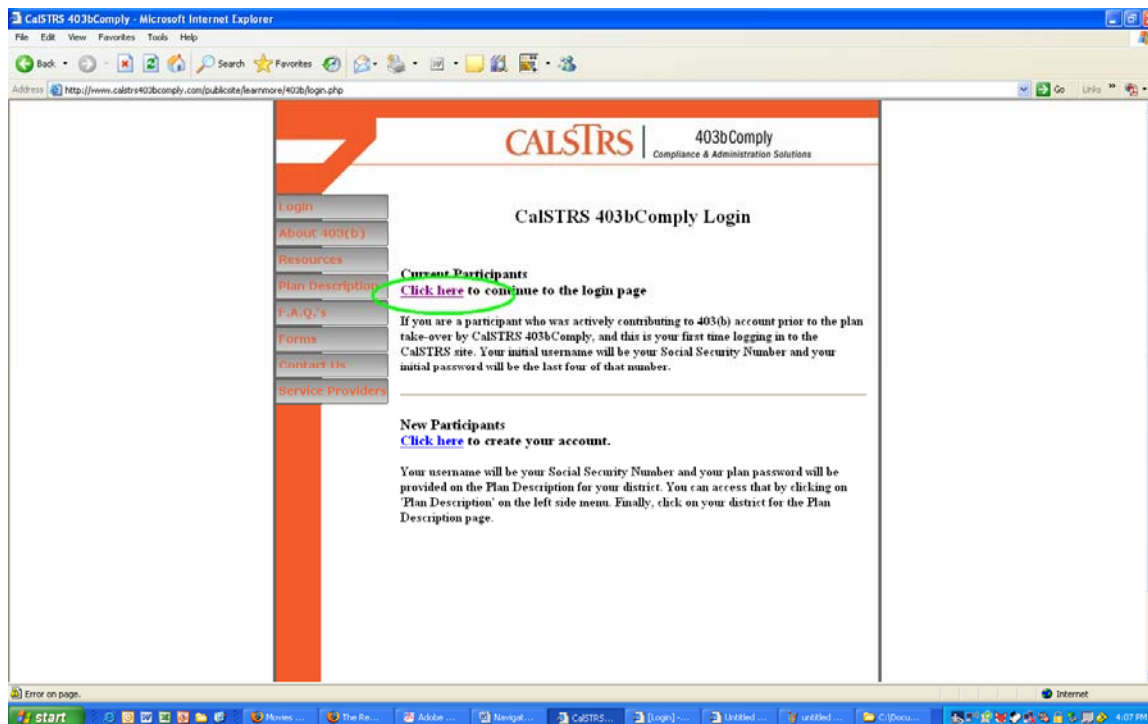

Congratulations. You've successfully changed Investment Providers. You may close the "Product Registration" window and then "Log out."

## HOW TO CEASE CONTRIBUTIONS

Go to [www.CalSTRS403bComply.com](http://www.CalSTRS403bComply.com) and click on “Login.”

Then, click on the “Current Participants” link:

It will take you to a login page, asking for your “SSN” and “Password.” Input your nine-digit Social Security Number in the “SSN” field. Input the last four digits of your Social Security Number in the “Password” field.

Click “Begin.”

This will take you to your “Participant Summary” page. It looks like this:

The screenshot displays the 'Participant Summary' page in a Microsoft Internet Explorer browser. The page title is '[Participant Summary] - Microsoft Internet Explorer'. The address bar shows the URL: <https://www.yourplanaccess.com/theretirementsolution/summary.aspx?RANDOMID=0900051919314834641288198-05>. The page header features a logo for 'The Retirement Solution' with the tagline 'Taking the trouble out of paperwork'. Below the header is a navigation menu with tabs for 'Summary', 'Investments', 'Transactions', 'Tools', and 'Personal Profile'. The main content area is divided into sections: 'Personal Info' for 'Test Participant000', 'At-a-Glance' showing account balances, 'New Participants' with enrollment steps, and 'Current Participants' with links to update contributions and investment providers. The Windows taskbar at the bottom shows the time as 4:18 PM.

Under the “Current Participants” section on the right side, click on the “click here” link next to “To change your Contribution Amount.”

It will take you to this page:

**Contributions**

Please note that this screen will not indicate your contribution amount. It will show a zero by default.

Any changes submitted will be reflected on your current election report by 10:00 AM the following business day.

If you elect a contribution amount but do not make an Investment Election, your deduction will not be invested; it will go to suspense and be refunded.

If you will participate in the 401(k) or 403(b) plan of another employer during this calendar year, how much will you contribute to the other plan this year?

Amount contributed: (calendar year) 0.00

You'll notice the red text states even if you're contributing \$1000 per paycheck, the default number will show "0.00."

Since you are changing your contribution amount, be sure to check the "Change" box.

Since you want to stop contributions, and the number in the "per pay period" field already reads "0.00," you do not need to change anything. The default number will become your contribution amount and effectively stop contributions.

Hit the "Submit" button.

It will take you to a review page, stating you've changed your contributions to "zero." If so, hit the "Continue" button.

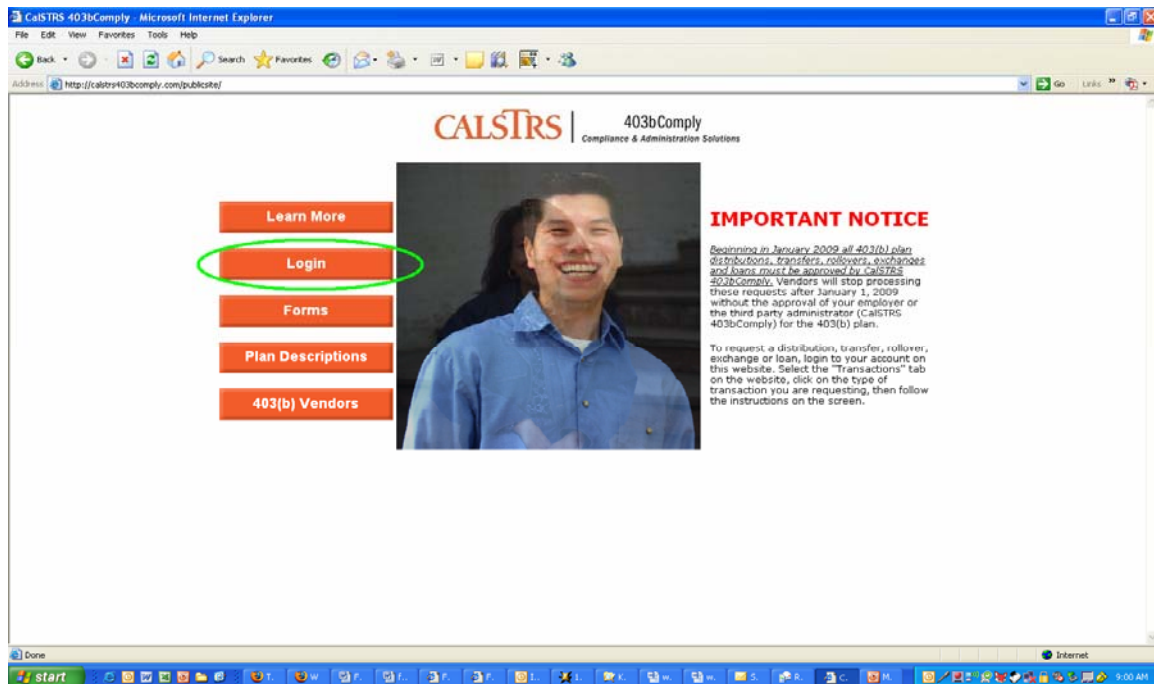

You'll then be taken to a "Contribution Rate Change" page, confirming you've changed your contribution rate to "zero." It will give you a confirmation number, which you may reference in the future, ensuring you've changed your contribution amount.

You may "Log Out."

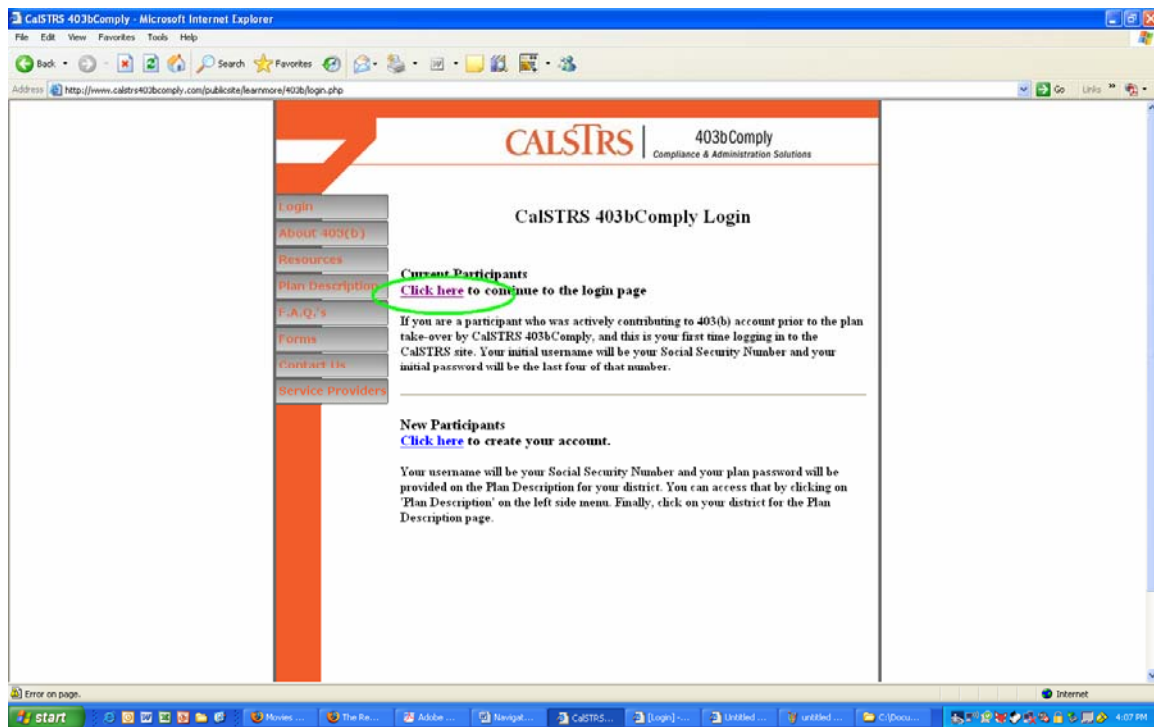

Congratulations, you've successfully stopped all 403(b) contributions, and are welcome to start contributing again at any point in the future.
